“A remarkable story.”–Publishers Weekly Set in the nineteenth century, Isabel Miller’s classic lesbian novel traces the relationship between Patience White, an educated painter, and Sarah Dowling, a cross-dressing farmer, whose romantic bond does not sit well with the puritanical New England farming community in which they live. They choose to live together and love each other freely, even though they know of no precedents for their relationship; they must trust their own instincts and see beyond the disdain of their neighbors. Ultimately, they are forced to make life-changing decisions that depend on their courage and their commitment to one another. First self-published in 1969 in an edition of one thousand copies, the author hand-sold the book on New York street corners; it garnered increasing attention to the point of receiving the American Library Association’s first Gay Book Award in 1971. McGraw-Hill’s version of the book a year later brought it to mainstream bookstores across the country. Patience & Sarah is a historical romance whose drama was a touchstone for the burgeoning gay and women’s activism of the late 1960s and early 1970s. It celebrates the joys of an uninhibited love between two strong women with a confident defiance that remains relevant today. This edition features an appendix of supplementary materials about Patience & Sarah and the author, as well as an introduction by Emma Donoghue, the Irish novelist whose numerous books include the contemporary Dublin novels Stirfry and Hood, the latter of which won the ALA’s Gay and Lesbian Book Award in 1995. Little Sister’s Classics is an Arsenal Pulp Press imprint dedicated to reviving lost and out-of-print gay and lesbian classic books, both fiction and nonfiction. The series is produced in conjunction with Little Sister’s Books, the heroic gay Vancouver bookstore well-known for its anti-censorship efforts. Isabel Miller was the author of numerous novels, including two under her real name, Alma Routsong. She died in 1996.

“Erotic and absorbing...Written with startling power.”–The New York Times Book Review Nan King, an oyster girl, is captivated by the music hall phenomenon Kitty Butler, a male impersonator extraordinaire treading the boards in Canterbury. Through a friend at the box office, Nan manages to visit all her shows and finally meet her heroine. Soon after, she becomes Kitty's dresser and the two head for the bright lights of Leicester Square where they begin a glittering career as music-hall stars in an all-singing and dancing double act. At the same time, behind closed doors, they admit their attraction to each other and their affair begins.

AN INSTANT NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD “5 UNDER 35” NOMINEE • NEW YORK’S “ONE BOOK, ONE NEW YORK” PICK Named One of the Best Books of the Year: Washington Post • NPR • People • Refinery29 • Parade • BuzzFeed “Mirza writes with a mercy that encompasses all things.”–Ron Charles, Washington Post Hailed as “a book for our times” (Christiane Amanpour), A Place for Us is a deeply moving and resonant story of love, identity, and belonging. As an Indian wedding gathers a family back together, parents Rafiq and Layla must reckon with the choices their children have made. There is Hadia: their headstrong, eldest daughter, whose marriage is a match of love and not tradition. Huda, the middle child, determined to follow in her sister’s footsteps. And lastly, their estranged son, Amar, who returns to the family fold for the first time in three years to take his place as brother of the bride. What secrets and betrayals have caused this close-knit family to fracture? Can Amar find his way back to the people who know and love him best? A Place for Us takes us back to the beginning of this family’s life: from the bonds that bring them together, to the differences that pull them apart. All the joy and struggle of family life is here, from Rafiq and Layla’s own arrival in America from India, to the years in which their children—each in their own way—tread between two cultures, seeking to find their place in the world, as well as a path home. A Place for Us is a book for our times: an astonishingly tender-hearted novel of identity and belonging, and a resonant portrait of what it means to be an American family today. It announces Fatima Farheen Mirza as a major new literary talent.

Instant New York Times Bestseller “The Guest Book is monumental in a way that few novels dare attempt.” –The Washington Post The thought-provoking new novel by New York Times bestselling author Sarah Blake A lifetime of secrets. A history untold. No. It is a simple word, uttered on a summer porch in 1936. And it will haunt Kitty Milton for the rest of her life. Kitty and her husband, Ogden, are both from families considered the backbone of the country. But this refusal will come to be Kitty's defining moment, and its consequences will ripple through the Milton family for generations. For while they summer on their island in Maine, anchored as they are to the way things have always been, the winds of change are beginning to stir. In 1959 New York City, two strangers enter the Miltons' circle. One captures the attention of Kitty's daughter, while the other makes each of them question what the family stands for. This new generation insists the times are changing. And in one night, everything does. So much so that in the present day, the third generation of Miltons doesn't have enough money to keep the island in Maine. Evie Milton's mother has just died, and as Evie digs into her mother's and grandparents' history, what she finds is a story as unsettling as it is inescapable, the story that threatens the foundation of the Milton family myth. Moving through three generations and back and forth in time, The Guest Book asks how we remember and what we choose to forget. It shows the untold secrets we inherit and pass on, unknowingly echoing our parents and grandparents. Sarah Blake's triumphant novel tells the story of a family and a country that buries its past in quiet, until the present calls forth a reckoning.

NATIONAL BESTSELLER • A second American Civil War, a devastating plague, and one family caught deep in the middle—this gripping debut novel asks what might happen if America were to turn its most devastating policies and deadly weapons upon itself. From the author of What Strange Paradise “Powerful . . . as haunting a postapocalyptic universe as Cormac McCarthy [created] in The Road.” –The New York Times Sarat Chestnut, born in Louisiana, is only six when the Second American Civil War breaks out in 2074. But even she knows that oil is outlawed, that Louisiana is half underwater, and that unmanned drones fill the sky. When her father is killed and her family is forced into Camp Patience for displaced persons, she begins to grow up shaped by her particular time and place. But not everyone at Camp Patience is who they claim to be. Eventually Sarat is befriended by a mysterious functionary, under whose influence she is turned into a deadly instrument of war. The decisions that she makes will have tremendous consequences not just for Sarat but for her family and her country, rippling through generations of strangers and kin alike.

“Oliver Twist with a twist...Waters spins an absorbing tale that withholds as much as it discloses. A pulsating story.”–The New York Times Book Review The Handmaiden, a film adaptation of Fingersmith, directed by Park Chan-wook and starring Kim Tae-ri, is now available. Sue Trinder is an orphan, left as an infant in the care of Mrs. Sucksby, a "baby farmer," who raised her with unusual tenderness, as if Sue were her own. Mrs. Sucksby's household, with its fussy babies calmed with doses of gin, also hosts a transient family of petty thieves–fingersmiths–for whom this house in the heart of a mean London slum is home. One day, the most beloved thief of all arrives–Gentleman, an elegant con man, who carries with him an enticing proposition for Sue: If she wins a position as the maid to Maud Lilly, a naïve gentlewoman, and aids Gentleman in her seduction, then they will all share in Maud's vast inheritance. Once the inheritance is secured, Maud will be disposed of–passed off as mad, and made to live out the rest of her days in a lunatic asylum. With dreams of paying back the kindness of her adopted family, Sue agrees to the plan. Once in, however, Sue begins to pity her helpless mark and care for Maud Lilly in unexpected ways...But no one and nothing is as it seems in this Dickensian novel of thrills and reversals.
