Hanging out with
demons can be hell....
It's been three months
since psychologist
Megan Chase made
the stunning
discovery that the
world is filled with
demons, and once
more the situation is

too hot to handle.
Ironically, Megan --
the only person in the

-- has become the
leader of a demon
"family," but now
some unknown
arcane power is offing
her demons in a
particularly
unpleasant fashion.

And while her demon lover Greyson Dante is still driving her wild with desire, he's also acting strangely evasive. Then there's the truth about Megan's past -- the truth she's never known. Caught between personal problems and personal demons, Megan is having one

Will the help of her
Cockney guard

Megan promises
listeners to her new
radio call-in show that

she'll "slay their personal demons," and they believe her. So do the personal demons. Although she doesn't know it, Megan is the only human without a personal demon on her shoulder. This, coupled with her psychic abilities, makes her a valuable weapon for any

demon "family" that can gain her allegiance. It also makes her a serious threat-- not just to the personal demons, but to a soul-sucker known as The Accuser who has an old score to settle. Megan and her allies -- a demon lover who both protects and seduces her with

devilish intensity, a witch with poor social skills, and three cockney guard demons -- have to deal not only The Accuser, the personal demons, and the ghosts of Megan's past, but a reporter who threatens to destroy Megan's career.

luck—and embodies everything that's oh-so-right with Sin City. A lot of bad hands get dealt in Vegas, but E. L. Speare may be holding one of the worst: He's cursed with the need to commit sins, and if he misses his daily quota, there's hell to pay—literally. Fortunately, his

Speare's attention, however, is that the missing appendage was severed clean by a demon-sword, a frighteningly powerful tool of the underworld. Speare's out of his element, so he turns to a specialist: Ardeth Coyle, master thief, dealer in occult artifacts, and bona fide temptress.

Toss in lust for a rival gang leader and a dangerous attraction to Bump's ruthless enforcer, and Chess begins to wonder if the rush is really worth it. Hell, yeah.

moving closer to a catastrophic showdown. Someone is dealing in murder, sex, and the supernatural, and once again Chess finds herself right in the crossfire.

As a Debunker, Chess Putnam is used to investigating reports of suspected
