PERSONAL FINANCIAL LITERACY, Third Edition, covers the most current and relevant financial topics that impact today's students, including budgeting, identity theft, saving, investing, risk management, and careful use of credit. This text teaches students how to plan and manage their personal finances; how to live a financially successful life; and what their financial responsibilities are as citizens. It is aligned with the Jump\$tart Coalition's National Standards for Personal Financial Literacy. The personal focus of this course makes it relevant and meaningful to those just starting down the path to personal financial independence. MindTap for Personal Financial Literacy, Updated Precision Exams Edition, 3rd edition is the digital learning solution that helps teachers engage and transform today's students into critical thinkers. Through paths of dynamic assignments and applications that you can personalize, real-time course analytics and an accessible reader, MindTap helps you turn cookie cutter into cutting edge, apathy into engagement, and memorizers into higher-level thinkers. MindTap for this course includes the full, interactive eBook as well as auto-graded reading activities throughout the eBook for each lesson as well as student tools like flashcards, practice quizzes, and auto-graded homework and tests.

Learn how to plan and manage your personal finances, achieve a financially successful life, and take responsibility as a citizen. PERSONAL FINANCIAL LITERACY, Second Edition, is aligned with the Jump\$tart Coalition's National Standards for Personal Financial Literacy. The personal focus of this course makes it relevant and meaningful to all; in particular, to those just starting down the path to personal financial independence. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

For courses in introductory personal finance. A blueprint for securing your financial future Personal Finance: Turning Money into Wealth empowers students to successfully make and carry out a plan for their financial future. By introducing the 10 fundamental principles of personal finance in a way that leaves a lasting impression, this text offers students lifelong tools that will help them effectively cope with an ever-changing financial environment. The 8th Edition reflects recent changes in the world of personal finance, including new tax laws, the economic downturn, weakness in the labor markets, the explosion

of student loans, and the rise of credit card debt. Personal Finance: Turning Money into Wealth, 8th Edition is also available via Revel(tm), an interactive learning environment that enables students to read, practice, and study in one continuous experience. Also available with MyLab Finance By combining trusted authors' content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. Note: You are purchasing a standalone product; MyLab Finance does not come packaged with this content. Students, if interested in purchasing this title with MyLab, ask your instructor to confirm the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information.
