Point of Retreat: A Novel - Colleen Hoover - Google Books

"Point of Retreat" is told from Will's point of view and elegantly done might I add. After everything that Will and Lake have been through, you would think the universe would back off a little; let them fall in love and have a few years of happiness or "sweet" as the character might call it. But that is not the case in this sequel.

I love that there are new adult books that exist where slam poetry is a pivot point around which the book kind of turns. Or at least, where poetry plays a role. Slammed is the first of Colleen Hoover's series that integrates slam poetry. The sequel, Point Of Retreat, also uses some slam poetry, however, it [...]

Point of Retreat Written by Colleen Hoover From the bestselling author of Slammed, comes Colleen Hoover's next big hit. Layken and Will have managed to overcome the obstacles that threatened to destroy their love, proving that they are destined for one another.

Where To Download Point Of Retreat A Novel Slammed Crah

Layken and Will's relationship has endured through hardships, heartache, and a cruel twist of fate, further solidifying the fact that they belong together. But the two lovers could not have expected that the things that brought them together may ultimately be the things that tear them apart. Their connection is on the brink of being destroyed forever and it will take an extraordinary amount of willpower to keep their love afloat.

Colleen Hoover's New York Times bestselling Slammed series comes to its gripping conclusion. There are two sides to every love story. Now hear Will's. Layken and Will's love has managed to withstand the toughest of circumstances, and the young lovers, now married, are beginning to feel safe and secure in their union. As much as Layken relishes their new life together, she finds herself wanting to know everything there is to know about her husband, even though Will makes it clear he prefers to keep the painful memories of the past where they belong. Still, he can't resist his wife's pleas, and so he begins to untangle his side of the story, revealing for the first time his most intimate feelings and thoughts, retelling both the good and bad moments, and sharing a few shocking confessions of his own from the time when they first met. In *This Girl*, Will tells the story of their complicated relationship from his point of view. Their future rests on how well they deal with the past in this final installment of the beloved Slammed series.

#1 New York Times bestselling author of *It Ends With Us* writes a free novella about the search for happily ever after. A chance encounter in the dark leads eighteen-year-old Daniel and the girl who stumbles across him to profess their love for each other. But this love has conditions: they agree it will only last one hour and it will only be make-believe. When their hour is up and the girl rushes off like Cinderella, Daniel tries to convince himself that what happened between them only seemed perfect because they were pretending it was perfect. Moments like that with girls like her don't happen outside of fairytales. One year and one bad relationship later, his disbelief in insta-love is stripped away the day he meets Six: a girl with a strange name and an even stranger personality. But Daniel soon realizes that fairytales don't exist, and unfortunately for Daniel, finding Cinderella doesn't guarantee their happily ever after...it only further threatens it.

From the #1 New York Times bestselling author of *It Ends With Us* and *November 9* comes a moving and haunting novel of family, love, and the power of the truth. "Not every mistake deserves a consequence. Sometimes the only thing it deserves is forgiveness." The Voss family is anything but normal. They live in a repurposed church, newly baptized Dollar Voss. The once cancer-stricken mother lives in the basement, the father is married to the mother's former nurse, the little half-brother isn't allowed to do or eat anything fun, and the eldest siblings are irritatingly perfect. Then, there's Merit. Merit Voss collects trophies she hasn't earned and secrets her family forces her to keep. While browsing the local antiques shop for her next trophy, she finds Sagan. His wit and unapologetic idealism disarm and spark renewed life into her—until she discovers that he's completely unavailable. Merit retreats deeper into herself, watching her family from the sidelines, when she learns a secret that no trophy in the world can fix. Fed up with the lies, Merit decides to shatter the happy family illusion that she's never been a part of before leaving them behind for good. When her escape plan fails, Merit is forced to deal with the staggering consequences of telling the truth and losing the one boy she loves. Poignant and powerful, *Without Merit* explores the layers of lies that tie a family together and the power of love and truth.

An Instant Bestseller! The New York Times USA Today The Globe and Mail The Toronto Star New York Times bestselling author Tarryn Fisher delivers a pulse-pounding, fast-paced suspense novel that will leave you breathless. A thriller you won't be able to put down! Imagine that your husband has two other wives. You've never met the other wives. None of you know each other, and because of this unconventional arrangement, you can see your husband only one day a week. But you love him so much you don't care. Or at least that's what you've told yourself. But one day, while you're doing laundry, you find a scrap of paper in his pocket—an appointment reminder for a woman named Hannah, and you just know it's another of the wives. You thought you were fine with your arrangement, but you can't help yourself: you track her down, and, under false pretenses, you strike up a friendship. Hannah has no idea who you really are. Then Hannah starts showing up to your coffee dates with telltale bruises, and you realize she's being abused by her husband. Who, of course, is also your husband. But you've never known him to be violent, ever. Who exactly is your husband, and how far would you be willing to go to find out? And who is his mysterious third wife? "Nail-biting, heart-clenchingly good."—New York Times bestselling author Alexandra Torre "[A] lightning-fast plot."—Kirkus "Suspense fans will be rewarded."—Publishers Weekly "Some sharp twists."—Booklist Don't miss *The Wrong Family*, the next gripping, unputdownable, twist-filled thriller from Tarryn Fisher!

#1 New York Times bestselling author Colleen Hoover's romantic, emotion-packed debut novel unforgettably captures all the magic and confusion of first love, as two young people forge an unlikely bond before discovering that fate has other plans for them. Following the unexpected death of her father, eighteen-year-old Layken becomes the rock for both her mother and younger brother. She appears resilient and tenacious, but inside, she's losing hope. Then she meets her new neighbor Will, a handsome twenty-one-year-old whose mere presence leaves her flustered and whose passion for poetry slams thrills

Where To Download Point Of Retreat A Novel Slammed Crah

her. Not long after a heart-stopping first date during which each recognizes something profound and familiar in the other, they are slammed to the core when a shocking discovery brings their new relationship to a sudden halt. Daily interactions become impossibly painful as they struggle to find a balance between the feelings that pull them together and the forces that tear them apart. Only through the poetry they share are they able to speak the truth that is in their hearts and imagine a future where love is cause for celebration, not regret.

When Warren becomes roommates with cold and calculating Bridgette, tempers flare, but Warren is intent on turning her passionate antagonism into passionate love.

Everyone has a secret to keep . . . Maeve Martin arrives at the High Water Center for the Arts determined to do one thing: launch her own dance company. Time is running out for the former principal dancer and mother of two to find her feet again after the collapse of a disastrous and violent marriage. At first, there's a thrill to being on her own for the first time in years, isolated in the beauty of a snowy mountain lodge. But when an avalanche traps the guests inside, tensions run high. Help is coming, so they just have to hold on, don't they? But as days pass, the other guests are struck down by mysterious deaths, one by one. Now, as she waits in fear, Maeve must admit how little she knows about anyone else . . . and how useless a locked door is if the darkness is already inside.

Novella that brings back characters from "Finding Cinderella" and "All your perfects"

"In Hopeless, Sky left no secret unearthed, no feeling unshared and no memory forgotten, but Holder's past remains a mystery. He is haunted by the little girl he let walk away from him and he has spent his entire life searching for her. He had hoped that he would finally gain closure and be able to rid himself of his guilt the moment they were reconnected. But he could not have anticipated that the exact opposite would occur and even more guilt and regret would be thrust upon him. Sometimes in life, if we wish to move forward we must first dig deep into our past and make amends with it. In Losing Hope, readers will learn what was going on inside Holder's head during all those moments that left him feeling hopeless and see whether he can perhaps gain the peace he desperately needs"--
