Mini Down Under traces the history of one of New Zealand's - and the world's - best-loved cars. More versions of the Mini were available in New Zealand than anywhere else, and the launching of the iconic car in February 1960 was a larger-than-life event. In this lively and personal story, the author tracks the Mini's life in New Zealand, the connection between Kiwi racing driver Bruce McLaren and the birth of the Mini Cooper, the heady days of competition success in the Antipodes, the local assembly and marketing of the classic original car and the eventual development into the latest generation Mini for a new century.

This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!

Antonio Smith is waiting to fail-or more accurately, he's postponing failure. Growing up on the tough side of Columbus, Antonio knows the odds are stacked against him. But poverty, race, and coaches who don't recognize his talent on the football field won't prevent him from reaching for the NFL-or any other dreams. Waiting to Fail is an insider's look at Antonio's journey, but it's much more than just football stories. It reveals a radical outlook on life. It motivates to never let the fear of failure keep you from doing what you really want to do. If you're longing to start a business, change careers, go to college, or strengthen your personal relationships, Waiting to Fail gives the encouragement to step outside your comfort zone and not let the fear of failure hold you back. Antonio Smith is a former collegiate and professional football player, and current mechanical engineer. He is a community leader and helped establish the DRIVEN Foundation, an Ohio non-profit organization geared toward helping youth and underprivileged families. His journey has provided him with the necessary tools to capture and motivate the minds of people from all ages. Antonio resides in Ohio, and enjoys spending his free time with family and friends.
