PROJECT MANAGERS: Are you ready to increase your marketability, network with other project managers, and improve your abilities to lead a project? Become a certified PMP with my efficient, easy-to-follow study guide book, PMBOK® Guide and PMP® Exam Prep Book 2018-2019: Study Guide on the Project Management Body of Knowledge with Practice Test Questions for the Project Management Professional Exam by Robert P. Nathan! As any project manager will tell you, time is the most valuable commodity in a project. Updated in line with the PMBOK Sixth Edition, my PMBOK Guide and PMP Exam Prep Book 2018-2019 is designed to make the most of the time you spend preparing for the exam. Rather than being hundreds of pages too long, the following chapters have gone through multiple stages of revision to include only those things that you need to know. The chapters have been designed to be readable, as well as to be easy to scan if you are flipping through. The structure of my book is based on project management's five major process groups: Chapter One: Initiation Chapter Two: Planning Chapter Three: Executing Chapter Four: Monitoring and Controlling Chapter Five: Closing Every chapter covers vital information on project management's ten knowledge areas: communication management, cost management, human resources management, integration management, procurement management, quality management, risk management, scope management, stakeholder management, and time management. Inputs, tools, techniques, and outputs (ITTOs) are organically written into the main text to show how they all fit together. The exam will test your understanding of best practices not memorization of lists. Included with every copy of my study guide is: Ten practice exam questions at the end of each chapter with answers and explanations A full two-hundred question practice exam with answers and explanations A full glossary of all tested terms Access to a FREE app with online flashcards of all tested terms Please note that PMBOK® is a registered trademark of PMI. PMI does not sponsor or endorse this book.

This is the Eleventh Edition of the student workbook that accompanies the best selling "bible" of project management. The workbook contains additional problems and exercises to reinforce the concepts presented in the main text. It also serves as a self-study guide for the Project Management Professional (PMP®) certification exam to be based on PMI®'s PMBOK® Guide, 5E. Both as accompanying supplement to Kerzner's text and as standalone self-study guide, this workbook gives students key insights from the acknowledged world leader in project management.
