When Robert Peary's team was the first to reach the North Pole, he was the only white man in the picture. Accompanying him were four Eskimos and Matthew Henson, a black man who had been with Peary on all his expeditions for the previous twenty years. Henson tells the story of that last expedition with candor and warmth, making neither too much nor too little of the conditions the team endured, including travelling on foot and sled in temperatures reaching 50° and more below zero. Henson's story is a testament to fortitude in the face of debilitating conditions. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

A compelling story of agency, survival, struggle and triumph over adversity African Americans: A Concise History illuminates the central place of African-Americans in U.S. history by telling the story of what it has meant to be black in America and how African-American history is inseparably woven into the greater context of American history. It follows the long and turbulent journey of African-Americans, the rich culture they have nurtured throughout their history and the quest for freedom through which African-Americans have sought to counter oppression and racism. MyHistoryLab is an integral part of the Hine / Hine / Harrold program. Key learning applications include Closer Looks, MyHistoryLibrary, and writing assessment. A better teaching and learning experience This program will provide a better teaching and learning experience-for you and your students. Here's how: Personalize Learning - MyHistoryLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance. Improve Critical Thinking - Focus Questions and end-of-chapter Review Questions help students think critically about the chapter content. Engage Students - Voices boxes engage students in the works and words of African Americans. Support Instructors - A full set of supplements, including MyHistory, provides instructors with all the resources and support they need. Note: MyHistoryLab does not come automatically packaged with this text.

"Thoughts on African Colonization" by William Lloyd Garrison. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

English translation (1561) of the 1528 text which portrays Renaissance court society in Italy

"It has been thought desirable that such papers of Margaret Fuller Ossoli as pertained to the condition, sphere and duties of Woman, should be collected and published together. The present volume contains not only her "Woman in the Nineteenth Century"--which has been before published, but for some years out of print, and inaccessible to readers who have sought it--but also several other papers, which have appeared at various times in the New York Tribune and elsewhere, and yet more which have never till now been published. My free access to her private manuscripts has given to me many papers, relating to Woman, never intended for publication, which yet seem needful to this volume, in order to present a complete and harmonious view of her thoughts on this important theme"--Preface

"Eleven fully updated chapters include entries on the links between health and discrimination, income inequality, social networks and emotion, while four all-new chapters examine the role of policies in shaping health, including how to translate evidence into action with multi-level interventions."

Originally published in hardcover in 1972, *A Day No Pigs Would Die* was one of the first young adult books, along with titles like *The Outsiders* and *The Chocolate War*. In it, author Robert Newton Peck weaves a story of a Vermont boyhood that is part fiction, part memoir. The result is a moving coming-of-age story that still resonates with teens today.
