So, I bought this RCA DCM425 Digital Cable Modem because it was exactly the same model as the one that Time Warner Cable leased me. It was not a modem on the list of Time Warner's recommendations (which cost \$70 or more), but I figured if it is the same model (costing less), I should be able to switch it out. Well, when I switched it, the modem I bought would not connect to the internet no matter how I restarted the modem, my computer and router.

world. Can she keep the truth about who she is hidden from the one person who used to know her better than anyone?

Reveals the real, whole name of God and its place within each of us • Explains how none of the God-names commonly used in the Bible is God's real name • Shows how the real name of God unites all religions from both West and East • Includes spiritual techniques, prayers, poems, and meditative chants to bring each of us into deep, personal, intimate, living relationship with God Of the many names of God commonly used in the Bible and other sacred literature, none is God's real name. Every God-name, including YHWH, reflects only one of God's many aspects, such as the loving creator, the militaristic authoritarian, or the all-knowing judge. None embodies the wholeness, the totality, the full Essence of God. Who then are we to speak to when we seek God? If you can't truly know something until you know its name, how can we truly know God? The culmination of years of translation research and etymological investigation, Rabbi Wayne Dosick's work digs through many layers of presumption and deeply ingrained beliefs to reveal the real name of God hiding in plain sight in the Bible: Anochi. He shows how this sacred name unites all religions--both of the West and the East. The name Anochi enables us to finally meet the whole, complete, real God--both the grand God of the vast universe and the God of breath, soul, and heart who dwells within each of us. This in-depth exploration of God's name includes spiritual techniques, poems, guided prayers, and meditative chants to bring each of us into personal, intimate, and purposeful relationship with God. By knowing the real name of God, we can affirm the connection to the Divine at the core of our being. We can touch the face of God that resides deep within us all.

The more powerful the family...the darker the secrets. Meet the family everyone's talking about in this prequel novella to the Sicily's Corretti Dynasty series, brought to you by Harlequin Presents. Investigative journalist Emily Hyslop is furious when her editor—and ex—reassigns her from a career-making expos to a frivolous wedding in Sicily. But scandalous secrets lie behind the union of the rival Corretti and Battaglia families. Things start looking up when Emily meets the most intimidating, not to mention sexiest, man she's ever encountered.... Detective Anton Soranno has valuable insight into the Correttis and their scandalous dealings...and plenty of reason to hate them. He's the perfect source of information—and the more he helps Emily with her story, the more time they have to explore their intense desire. But even as their passionate nights uncover surprising feelings in both of them, Emily and Anton know that she must leave Sicily once the wedding is over.... This book offers solutions to anyone who has felt victimized, ostracized or left behind by life. Surprising as it may sound, many people take comfort in their own misery. Feeling too good for too long (or even feeling good at all) can be scary for people, explains Anne Katherine. "Achievement creates anxiety.

Intimacy leads to fear. Happiness produces uneasiness. Pleasure causes pain. The solution to this dilemma: what feels good has to be stopped. I call this an addiction to misery." Katherine's fascination and perspective book provides immediate assistance to those people who think they might be making choices that keep them at a "carefully calibrated level of existence--beneath bliss and above despair."
