Class-6 / Honeysuckle English | Mrs. McBloom, Clean Up Your Classroom! - Kids Books Read Aloud **Reading With Patrick A Teacher**

“Michelle Kuo’s Reading with Patrick is a strikingly candid and insightful meditation on the relationship between a young teacher and a former student as they read together while the student awaits trial for murder in a Southern jail. Compulsively readable, the book manages to do two extraordinary things at once: it offers a poignant and moving account of a specific relationship, and it grapples searchingly with universal themes around families, race, poverty, teaching, and

Young, in prison, learning to love 'Reading'

In the county jail, Patrick's first words to his teacher were, "Mrs. Kuo, I didn't mean to." His 16-year-old special needs sister had been returning home from a date with a 25-year-old man whom Patrick judged to be drunk and high. The man refused to leave when asked, so Patrick picked up a knife left on the porch from a stroller repair.

literary and personal awakening. Convinced she can make a difference in the lives of her teenaged students, Michelle Kuo puts her heart into her work, using quiet reading time and guided writing to foster a sense of self in students left behind by a broken school system. Though Michelle loses some students to truancy and even gun violence, she is inspired by some such as Patrick. Fifteen and in the eighth grade, Patrick begins to thrive under Michelle's exacting attention. However, after two years of teaching, Michelle feels pressure from her parents and the draw of opportunities outside the Delta and leaves

Feeling that she left the Delta prematurely and determined to fix her mistake, Michelle returns to Helena and resumes Patrick's education—even as he sits in a jail cell awaiting trial. Every day for the next seven months they pore over classic novels, poems, and works of history. Little by little, Patrick grows into a confident, expressive writer and a dedicated reader galvanized by the works of Frederick Douglass, James Baldwin, Walt Whitman, W. S.

Friendship Between an idealistic young teacher and her gifted student who was jailed for murder in the Mississippi Delta. As a young English teacher keen to make a difference in the world, Michelle Kuo took a job at a tough school in the Mississippi Delta, sharing books and poetry with a young African-American teenager named Patrick and his classmates. For the first time, these kids began to engage with ideas and dreams beyond their small town, and to gain an insight into themselves that they had never had before. Two years later, Michelle left to go to law school; but Patrick began to lose

his way, killing a man and facing a lengthy jail sentence. And that's when Michelle decided that her work was not done, and began to visit Patrick once a week, and soon every day, to read with him again. Finely written in the very best tradition of American long-form narrative, Reading with Patrick is a story of hope, redemption and the power of books to transform - and even to save - a life.

Reflection—recreates both the unstudied realities and intensely satisfying challenges that teachers encounter in university lecture halls. From the initial selection of reading materials through the assignment of final grades to each student, Patrick Allitt reports with keen insight and humor on the rewards and frustrations of teaching students who often are unable to draw a distinction between the words "novel" and "book." Readers get to know members of the class, many of whom thrive while others struggle with assignments, plead for better grades, and weep over failures. Although Allitt finds

much to admire in today's students, he laments their frequent lack of preparedness—students who arrive in his classroom without basic writing skills, unpracticed with reading assignments. With sharp wit, a critical eye, and steady sympathy for both educators and students, *I'm the Teacher, You're the Student* examines issues both large and small, from the ethics of student-teacher relationships to how best to evaluate class participation and grade writing assignments. It offers invaluable guidance to those concerned with the state of higher education today, to young faculty
