Red Sparrow Trilogy by Jason Matthews - Goodreads

Red Sparrow is a 2018 American spy thriller film directed by Francis Lawrence and written by Justin Haythe, based on the 2013 novel of the same name by Jason Matthews. The film stars Jennifer Lawrence, Joel Edgerton, Matthias Schoenaerts, Charlotte Rampling, Mary-Louise Parker, and Jeremy Irons. It tells the story of a Russian intelligence officer, who is sent to make contact with a CIA officer in the hope of discovering the identity of a mole. Matthews, a former member of the CIA, advised the p

Red Sparrow - Wikipedia

Red Sparrow tells the tale of Dominika Egorova, a star ballerina and loyal Russian citizen whose dance career is cut short by the perfdy of her classmates at the academy. Soon after, her father passes away, jeopardizing her ailing mother ’ s residence in the Moscow apartment where Dominika grew up.

Drafted against her will to serve the regime of Vladimir Putin as an intelligence seductress, Dominika Egorova engages in a charged effort of deception and tradecraft with first-tour CIA officer Nathaniel Nash before a forbidden attraction threatens their careers.

SOON TO BE A MAJOR MOTION PICTURE starring Jennifer Lawrence, Joel Edgerton and Jeremy Irons. Dominika Egorov, former prima ballerina, is sucked into the heart of Putin’s Russia, the country she loved, as the twists and turns of a betrayal and counter-betrayal unravel. American Nate Nash, idealistic and ambitious, handles the double agent, codenamed MARBLE, considered one of CIA’s biggest assets. He needs to keep his identity secret for as long as the mole can keep supplying golden information. Will Dominika be able to unmask MARBLE, or will the mission see her faith destroyed in the country she has always passionately defended? ‘A great and dangerous spy-game is being played today between Russian intelligence and the CIA. Very few people know about it, including many of our politicians in Washington. But Jason Matthews does, and his thrilling Red Sparrow takes us deep inside this treacherous world. He’s an insider’s insider. He knows the secrets. And he is also a masterful story-teller. I loved this book and could not put it down. Neither will you’ Vince Flynn ‘Not since the good old days of the Cold War has a classic spy thriller like Red Sparrow come along. Jason Matthews is not making it up; he has lived this life and this story, and it shows on every page. High-level espionage, pulse-pounding danger, sex, double agents and double crosses. What more can any reader want?’ Nelson DeMille

Now a major motion picture starring Jennifer Lawrence and Joel Edgerton! From the New York Times bestselling author and veteran CIA officer Jason Matthews comes the electrifying modern spy thriller Red Sparrow. In contemporary Russia, state intelligence officer Dominika Egorova has been drafted to become a “ Sparrow ” —a spy trained in the art of seduction to elicit information from their marks. She ’ s been assigned to Nathaniel Nash, a CIA officer who handles the organization ’ s most sensitive penetration of Russian intelligence. The two young intelligence officers, trained in their respective spy schools, collide in a charged atmosphere of tradecraft, deception and, inevitably, a forbidden spiral of carnal attraction that threatens their careers and the security of America ’ s valuable mole in Moscow. For fans of John le Carr é and Ian Fleming and featuring “ high-level espionage, pulse-pounding danger, sex, double agents, and double crosses ” (Nelson DeMille), Red Sparrow is a timely and electrifying thriller that is impossible to put down.

Drafted against her will to serve the regime of Vladimir Putin as an intelligence seductress, Dominika Egorova engages in a charged effort of deception and tradecraft with first-tour CIA officer Nathaniel Nash before a forbidden attraction threatens their careers.

Red Sparrow is now a major motion picture starring Jennifer Lawrence and Joel Edgerton! The thrilling sequel to Red Sparrow—CIA insider Jason Matthews ’ s compulsively readable New York Times bestseller and Edgar Award winner—featuring Russian spy Dominika Egorova and CIA agent Nate Nash “ shimmers with authenticity. The villains are richly drawn...the scenes of them on the job are beyond chilling ” (The New York Times Book Review), Captain Dominika Egorova of the Russian Intelligence Service despises the oligarchs, crooks, and thugs of Putin ’ s Russia—but what no one knows is that she is also working for the CIA. Her “ sparrow ” training in the art of sexual espionage further complicates the mortal risks she must take, as does her love for her handler Nate Nash—a shared lust that is as dangerous as treason. As Dominika expertly dodges exposure, she deals with a murderously psychotic boss, survives an Iranian assassination attempt and attempts to rescue an arrested double agent—and thwart Putin ’ s threatening flirtations. A grand, wildly entertaining ride through the steel-trap mind of a CIA insider, Palace of Treason is a story “ as suspenseful and cinematic as the best spy movies ” (The Philadelphia Inquirer)—one that feels fresh and so possible, in fact, that it ’ s doubtful this novel can ever be published in Russia.

The “ terrifically good ” (The New York Times Book Review) finale in the New York Times bestselling Red Sparrow trilogy continues the dangerous entanglements of Russian counterintelligence chief Dominika Egorova and her lover, CIA agent Nate Nash, on the hunt for a Russian agent working in the US government. Russian president Vladimir Putin is planning the covert assassination of a high-ranking US official with the intention of replacing him with a mole whom Russian intelligence has cultivated for more than fifteen years. Catching wind of this plot, Dominika, Nate, and their CIA colleagues must unmask the traitor before he or she is able to reveal that Dominika has been spying for years on behalf of the CIA. Any leak, any misstep, will expose her as a CIA asset and result in a one-way trip to a Moscow execution cellar. Ultimately, the lines of danger converge on the spectacular billion-dollar presidential palace on the Black Sea during a power weekend with Putin ’ s inner circle. Does Nate sacrifice himself to save Dominika? Does Dominika forfeit herself to protect Nate? Do they go down together? With a plot ripped from tomorrow ’ s headlines, The Kremlin ’ s Candidate is “ both timely and timeless; an espionage tale that takes the reader behind and beyond the headlines of Russia ’ s assault on America ” (Nelson DeMille).

The #1 New York Times bestseller and subject of the acclaimed major motion picture Bridge of Spies directed by Steven Spielberg, starring Tom Hanks as James B. Donovan. Originally published in 1964, this is the “ enthralling...truly remarkable ” (The New York Times Book Review) insider account of the Cold War spy exchange—with a new foreword by Jason Matthews, New York Times bestselling author of Red Sparrow and Palace of Treason. In the early morning of February 10, 1962, James B. Donovan began his walk toward the center of the Glienicke Bridge, the famous “ Bridge of Spies ” which then linked West Berlin to East. With him, walked Rudolf Ivanovich Abel, master spy and for years the chief of Soviet espionage in the United States. Approaching them from the other side, under equally heavy guard, was Francis Gary Powers, the American U-2 spy plane pilot famously shot down by the Soviets, whose exchange for Abel Donovan had negotiated. These were the strangers on a bridge, men of East and West, representatives of two opposed worlds meeting in a moment of high drama. Abel was the most gifted, the most mysterious, the most effective spy in his time. His trial, which began in a Brooklyn United States District Court and ended in the Supreme Court of the United States, chillingly revealed the methods and successes of Soviet espionage. No one was better equipped to tell the whole absorbing history than James B. Donovan, who was appointed to defend one of his country ’ s enemies and did so with scrupulous skill. In Strangers on a Bridge, the lead prosecutor in the Nuremberg Trials offers a clear-eyed and fast-paced memoir that is part procedural drama, part dark character study and reads like a noirish espionage thriller. From the first interview with Abel to the exchange on the bridge in Berlin—and featuring unseen photographs of Donovan and Abel as well as trial notes and sketches drawn from Abel ’ s prison cell—here is an important historical narrative that is “ as fascinating as it is exciting ” (The Houston Chronicle).

Red Sparrow is now a major motion picture starring Jennifer Lawrence and Joel Edgerton! In the final, thrilling New York Times bestselling installment of the Red Sparrow Trilogy, Russian counterintelligence chief Dominika Egorova and her lover, CIA agent Nate Nash, must find a Russian agent about to be appointed to a very high office in the US government. With a plot ripped from tomorrow ’ s headlines, Jason Matthews ’ s high-powered, seductive third novel not only continues the dangerous entanglements of Dominika and Nate but reveals with chilling authenticity how Russian espionage can place agents in the most sensitive positions of power. The novel opens with Russian president Vladimir Putin planning the covert assassination of a high-ranking US official with the intention of replacing him with a mole whom Russian intelligence has cultivated for more than fifteen years. Catching wind of this plot, Dominika, Nate, and their CIA colleagues must unmask the traitor before he or she is able to reveal that Dominika has been spying for years on behalf of the CIA. Any leak, any misstep, will expose her as a CIA asset and result in a one-way trip to a Moscow execution cellar. Along the way, Matthews, a thirty-three-year veteran of the CIA and winner of the Edgar Award for Best First Novel, sets vivid, unforgettable scenes in Moscow, Washington, DC, Hong Kong, New York, and Turkey, and introduces two cold-blooded killers: Iosip Blokhin, a brilliant Spetsnaz military officer, and Grace Gao, ravishing Chinese spy, master of Kundalini yoga, and Beijing-trained seductress. Ultimately, the lines of danger converge on the spectacular billion-dollar presidential palace on the Black Sea during a power weekend with Putin ’ s inner circle. Does Nate sacrifice himself to save Dominika? Does she forfeit herself to protect Nate? Do they go down together? This dazzling finale to Jason Matthews ’ s New York Times bestselling Red Sparrow Trilogy, called “ a primer in twenty-first-century spying...terrifically good ” (The New York Times Book Review), confirms the critical acclaim he received for the first two novels, praise that compared Matthews to John le Carr é and Ian Fleming.

Summary of Red Sparrow: A Novel by Jason Matthews: Trivia/Quiz for Fans Russian intelligence officer Dominika Egorova is in Helsinki to spy after CIA agent Nate Nash, but after getting to know him better, she entertains the thought of becoming a spy for the Americans. Nate is different from the Russians she works with; he is sincere and friendly and has that deep purple halo around him just like the halo of her father. Will, she put her Red Sparrow skills against Nash and seduce the unassuming CIA agent? If she decides to help Nash and spy for the Americans, won't the Russian officers find out about it? NEW YORK TIMES BESTSELLER • The celebrated author of Double Cross and Rogue Heroes returns with his greatest spy story yet, a thrilling Americans-era tale of Oleg Gordievsky, the Russian whose secret work helped hasten the end of the Cold War. “ The best true spy story I have ever read. ” —JOHN LE CARR É Named a Best Book of the Year by The Economist • Shortlisted for the Baillie Giffords Prize in Nonfiction If anyone could be considered a Russian counterpart to the infamous British double-agent Kim Philby, it was Oleg Gordievsky. The son of two KGB agents and the product of the best Soviet institutions, the savvy, sophisticated Gordievsky grew to see his nation’s communism as both criminal and philistine. He took his first posting for Russian intelligence in 1968 and eventually became the Soviet Union’s top man in London, but from 1973 on he was secretly working for MI6. For nearly a decade, as the Cold War reached its twilight, Gordievsky helped the West turn the tables on the KGB, exposing Russian spies and helping to foil countless intelligence plots, as the Soviet leadership grew increasingly paranoid at the United States’s nuclear first-strike capabilities and brought the world closer to the brink of war. Desperate to keep the circle of trust close, MI6 never revealed Gordievsky’s name to its counterparts in the CIA, which in turn grew obsessed with figuring out the identity of Britain’s obviously top-level source. Their obsession ultimately doomed Gordievsky: the CIA officer assigned to identify him was none other than Aldrich Ames, the man who would become infamous for secretly spying for the Soviets. Unfolding the delicious three-way gamesmanship between America, Britain, and the Soviet Union, and culminating in the gripping cinematic beat-by-beat of Gordievsky’s nail-biting escape from Moscow in 1985, Ben Macintyre’s latest may be his best yet. Like the greatest novels of John le Carr é, it brings readers deep into a world of treachery and betrayal, where the lines bled between the personal and the professional, and one man’s hatred of communism had the power to change the future of nations.
