A hilarious and hopeful primer to prevent, combat, and eliminate the suckage in modern marriage by doing it right in the early years, from one of the minds behind the series *Sex and the City* and the New York Times bestselling authors of *He's Just Not That Into You*, *It's Called a Breakup Because It's Broken*, and *It's Just a F\*\*\*ing Date* Some marriages start out storybook. Perfect proposal, perfect engagement, perfect wedding, perfect honeymoon, and perfect newlywed years. Greg Behrendt and Amiira Ruotola stumbled right out of the wedding gate. Their choices in the early years, they'll tell you, nearly bought their marriage a one-way ticket to Suckville. The New York Times bestselling authors explore all the adventures of early wedlock, from the moment one of you gets on one knee to the day when sex starts to feel like work instead of play. In this guidebook, Behrendt and Ruotola explore their own marriage and, with gleeful candor, tremendous warmth, sharp humor, and piercing insight, look at what we who have decided to "settle down" hope to get out of our most lasting relationship. We venture through volumes on the engagement, wedding planning, the Big Day, the wedding hangover, the (blissful?) first year, the hard work of marrying two lives, fights, and sex-pectations versus sex-

pectreality. The perfect book for those who have just put a ring on it or are thinking of putting a ring on it, Behrendt and Ruotola's work is a brilliant guide for the first stretch of that wild ride we call marriage.

Burly RAF aircraft technician Corporal Ben Brownley is hell bent on seeking revenge for the death of his brother, who was driven to suicide by the relentless bullying and heavy-arm tactics metered out by trade union thugs. With the help of his best mate, Dixie, he strikes a spectacular and devastating blow against the TUC during their annual conference at the Grand Hotel Llandudno.

A humorous but helpful handbook offers survival strategies for women who are getting over Mr. Wrong and struggling to rebuild their lives, covering everything from ending a relationship permanently to finding a brighter romantic future.
