Richard Matheson's classic novel of fear and vampirism - the tale of the last human on an Earth overrun by the undead - returns to graphic novel format in a single volume collection of four long out-of-print books.

Richard Matheson’s 1954 novel I Am Legend has spawned a series of iconic horror and science fiction films, including The Last Man on Earth (1964), The Omega Man (1971) and I Am Legend (2007). The compelling narrative of the last man on earth, struggling to survive a pandemic that has transformed the rest of humanity into monsters, has become an American myth. While the core story remains intact, filmmakers have transformed the details over time, reflecting changing attitudes about race and masculinity. This reexamination of Matheson's novel situates the tale of one man’s conflicted attitude about killing racialized “others” within its original post–World War II context, engaging the question of post-traumatic stress disorder. The author analyzes the several film adaptations, with a focus on the casting and interpretations of protagonist Robert Neville.

The definitive collection of terrifying stories by "one of the greatest writers of the 20th century" (Ray Bradbury), edited by award-winning author Victor LaValle Among the greats of 20th-century horror and fantasy, few names stand above Richard Matheson. Though known by many for novels like I Am Legend and his sixteen Twilight Zone episodes, Matheson truly shines in his chilling, masterful short stories. Since his first story appeared in 1950, virtually every major writer of science fiction, horror, and fantasy has fallen under his influence, including Stephen King, Neil Gaiman, Peter Straub, and Joe Hill, as well as filmmakers like Stephen Spielberg and J.J. Abrams. Matheson revolutionized horror by taking it out of gothic castles and strange cosmos and setting it in the darkened streets and suburbs we recognize as our own. He infused tales of the fantastic and supernatural with dark explorations of human nature, delving deep into the universal dread of feeling alone and threatened in a dangerous world. The Best of Richard Matheson brings together his greatest hits as chosen by Victor LaValle, an expert on horror fiction and one of its brightest talents, marking the first major overview of Matheson's legendary career. "[Matheson is] the author who influenced me most as a writer." -Stephen King "Richard Matheson's ironic and iconic imagination created seminal science-fiction stories . . . For me, he is in the same category as Bradbury and Asimov." -Steven Spielberg "He was a giant, and YOU KNOW HIS STORIES, even if you think you don't." -Neil Gaiman For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

While there have been three adaptations of Richard Matheson's classic novel I AM LEGEND none of the scripts have followed the novel. Matheson wrote a script in the 1950s which did. It was purchased by Hammer Films in England. However, both the British and U.S. censor boards wanted extensive alterations that neither Matheson nor Hammer Films were willing to make. RICHARD MATHESON'S CENSORED AND UNPRODUCED I AM LEGEND SCREENPLAY is the script Matheson wrote and how he envisioned his novel being filmed. The book includes the script, history of the screenplay as well as the U.S. Censor Board letter outlining their objections.

An ordinary man, Tom Wallace suddenly finds himself the possessor of extraordinary psychic abilities that allow him to "hear" the private thoughts of the people around him, but the nightmare worsens when he becomes the recipient of a compelling message from beyond the barrier of death.

Three versions of Richard Matheson's classic novel I AM LEGEND have been filmed, but NONE have faithfully captured Matheson's novel. Matheson himself wrote a script for I AM LEGEND which was purchased by Hammer Films. Sadly, the US and British Censor Boards demanded changes both Matheson and the filmmaker refused to make. For the first time the reader can see Matheson's vision for his novel, far different than any of the film adaptations. Two other unproduced scripts fill out the 525-page book -- "The Distributor" and "Sweethearts and Horrors." Mark Dawidziak edited the "I Am Legend" section with his insightful analysis. Includes an afterword by R.C. Matheson.
