An outdoor shower is one of summer's greatest pleasures. Providing practical building instructions for a variety of designs that range from a simple showerhead on the side of a cottage to a freestanding structure enclosed in frosted glass, Ethan Fierro shows you how to build an outdoor shower that reflects your unique personality and style. With an eye toward keeping costs down and environmentally friendly construction practices, Fierro will inspire you to create the shower of your dreams.

The 2011 ASHRAE Handbook: HVAC Applications comprises over 60 chapters covering a broad range of facilities and topics, and is written to help engineers design and use equipment and systems described in other Handbook volumes. ASHRAE Technical Committees have revised nearly every chapter to cover current requirements, technology, and design practice. An accompanying CD-ROM contains all the volume's chapters in both I-P and SI units.

A collection of fun and surprising facts about our world.

Describes different types of floors and floor coverings, offers selection advice, and provides step-by-step installation instructions

Korean: A Comprehensive Grammar is a reference to Korean grammar, and presents a thorough overview of the language, concentrating on the real patterns of use in modern Korean. The book moves from the alphabet and pronunciation through morphology and word classes to a detailed analysis of sentence structures and semantic features such as aspect, tense, speech styles and negation. Updated and revised, this new edition includes lively descriptions of Korean grammar, taking into account the latest research in Korean linguistics. More lower-frequency grammar patterns have been added, and extra examples have been included throughout the text. The unrivalled depth and range of this updated edition of Korean: A Comprehensive Grammar makes it an essential reference source on the Korean language.

Gerrard's Legacy A collection of powerful magical artifacts is the only defense against the forces of evil that are arrayed against Dominaria. Gerrard, the heir to the Legacy, together with Sisay, captain of the flying ship Weatherlight, has sought out many parts of the Legacy. Gerrard's Quest Sisay has been kidnapped by Volrath, ruler of the plane of Rath. Gerrard stands at a crossroads. His companion is in danger, the Legacy may be lost forever. Only he'll with the loyal crew of the Weatherlight! can rescue Sisay and recover the Legacy.

Packed with puzzles and activities: odd one out, counting and sorting, matching, word games, and jigsaws.

When you see a ray of light in darkness, not only does it gives you hope but it also shows a ray of new life.But what if that very small ray is another path to darkness?Herold was the light in my dark life, but after losing him I'm engulfed by darkness all over again.His death destroyed me. I left all my dreams, my friends and my life for him. No matter how hard I tried to move on he still lived in my memories.But meeting Alex was something I never expected. He came as a tenant in my house but yet whenever I was with him I felt this familiar pull towards him. It was like I have known him for a long time.But things took great turns between us.He made me laugh. He made me alive. He even made me fall in love again.But not everything lasts forever. Soon all these happiness wrecked my life like a hurricane when truth came into light.I was destroyed again when reality hit me. Everything that I have been through, everything I have felt...it was all a lie.I lost belief in love and trust.But what do you do when you have become so connected with the darkness that the ray of light you always looked for now scars you?When this very light endangers everyone you love? I should have never walked through this path of dark love knowing I will be destroyed again. But at the end somehow this dark love freed me.
