Rivstart Textbok + Audio-CD (MP3) A1-A2 (Swedish) Paperback – 1 January 2012 by Paula Levy Scherrer (Author), Karl Lindemalm (Author) 4.2 out of 5 stars 29 ratings

This compact volume offers an integrated guide to the major grammatical concepts needed for writing and speaking Swedish.

An unmissable collection of eight unconventional and captivating short stories for young and adult learners of Swedish. "Olly's top-notch language-learning insights are right in line with the best of what we know from neuroscience and cognitive psychology about how to learn effectively. I love his work - and you will too!" - Barbara Oakley, PhD, Author of New York Times bestseller A Mind for Numbers Short Stories in Swedish for Beginners has been written especially for students from high-beginner to low-intermediate level, designed to give a sense of achievement, a feeling of progress and most importantly - enjoyment! Mapped to A1-B1 on the Common European Framework of Reference (CEFR) for languages, these eight captivating stories are designed to give you a sense of achievement and a feeling of progress when reading. What does this book give you? - Eight stories in a variety of exciting genres, from science fiction and crime to history and thriller - making reading fun, while you learn a wide range of new vocabulary - Controlled language at your level to help you progress confidently - Realistic spoken dialogues to help you learn conversational expressions and improve your speaking ability - Accessible grammar so you learn new structures naturally, in a stress-free way - Pleasure! Research shows that if you're enjoying reading in a foreign language, you won't experience the usual feelings of frustration - 'It's too hard!' 'I don't understand!' Carefully curated to make learning a new language easy, these stories include key features that will support and consolidate your progress, including: - A glossary for bolded words in each chapter - Full plot summary - A bilingual word list - Comprehension questions after each chapter. As a result, you will be able to focus on enjoying reading, delighting in your improved range of vocabulary and grasp of the language, without ever feeling overwhelmed. From science fiction to fantasy, to crime and thrillers, Short Stories in Swedish for Beginners will make learning Swedish easy and enjoyable.

Each chapter of First Russian Reader for Students is filled with words that are organized by topic, then used in a story in Russian. Questions and answers rephrase information and text is repeated in English to aid comprehension. The quick and easy-to-use format organizes many of everyday situations from knowing your way around the house, studying at university, or going shopping. First Russian Reader for Students makes use of the ALARM Method to efficiently teach its reader Russian words, sentences and dialogues. Through this method, a person will be able to enhance his or her ability to remember the words that has been incorporated into consequent sentences from time to time. The book is equipped with the audio tracks. The address of the home page of the book on the Internet, where audio files are available for listening and downloading, is listed at the beginning of the book on the copyright page.

Basic Swedish: A Grammar and Workbook combines an accessible basic reference grammar and related exercises in one volume, and covers most of the topics that students might expect to deal with in their first year of learning Swedish. Each of the 25 units discusses one or more grammar topics, with examples that are subsequently practised in the exercises that follow. The book introduces the contemporary language against a backdrop of Swedish culture, society, geography, customs and history. Each unit ends with a cultural text that outlines an aspect of Swedish culture and exemplifies and consolidates the grammar topic examined in the unit. Features include: clear grammatical explanations with examples in Swedish and English vocabulary based on a major corpus of written Swedish in order to guarantee authenticity and relevance cross-references to other units over 100 exercises with a key to all the correct answers full vocabulary list at the end of the book. The book is suitable both for independent study and for class use. It can be used by absolute beginners and those who have advanced a little further.

NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. “A brilliant and thoroughly modern guide to learning new languages.”—Gary Marcus, cognitive psychologist and author of the New York Times bestseller Guitar Zero At thirty years old, Gabriel Wyner speaks six languages fluently. He didn’t learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he’s discovered. Starting with pronunciation, you’ll learn how to rewire your ears and turn foreign sounds into familiar sounds. You’ll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you’ll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you’ll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

This product is most effective when used in conjunction with the corresponding double CD. - You can purchase the print book and double CD as a pack (ISBN: 9781444107173) - The double CD is also sold separately (ISBN: 9781444107180) (copy and paste the ISBN number into the search bar to find these products) Are you looking for a complete course in Swedish which takes you effortlessly from beginner to confident speaker? Whether you are starting from scratch, or are just out of practice, Complete Swedish will guarantee success! Now fully updated to make your language learning experience fun and interactive. You can still rely on the benefits of a top language teacher and our years of teaching experience, but now with added learning features within the course and online. The course is structured in thematic units and the emphasis is placed on communication, so that you effortlessly progress from introducing yourself and dealing with everyday situations, to using the phone and talking about work. By the end of this course, you will be at Level B2 of the Common European Framework for Languages: Can interact with a degree of fluency and spontaneity that makes regular interaction with native speakers quite possible without strain for either party. Learn effortlessly with a new easy-to-read page design and interactive features: NOT GOT MUCH TIME? One, five and ten-minute introductions to key principles to get you started. AUTHOR INSIGHTS Lots of instant help with common problems and quick tips for success, based on the author's many years of experience. GRAMMAR TIPS Easy-to-follow building blocks to give you a clear understanding. USEFUL VOCABULARY Easy to find and learn, to build a solid foundation for speaking. DIALOGUES Read and listen to everyday dialogues to help you speak and understand fast. PRONUNCIATION Don't sound like a tourist! Perfect your pronunciation before you go. TEST YOURSELF Tests in the book and online to keep track of your progress. EXTEND YOUR KNOWLEDGE Extra online articles to give you a richer understanding of the culture and history of Sweden. TRY THIS Innovative exercises illustrate what you've learnt and how to use it.

Provides an introduction to the native language of Sweden that features 10 lessons which are useful for both classroom use and self-study. Each chapter includes dialogues, basic vocabulary and easy-to-follow discussions of grammar. This book also features exercises, cultural information and a comparison of Swedish and English. Includes 2 Audio CDs featuring native speakers.
