<span>Daisy Martinez is America's most exciting and beloved new television cook. Here, at last, is her first cookbook, with all the recipes from her acclaimed show--and most can be made in under thirty minutes! In Daisy Martinez's kitchen, salsa music is always playing. Laughter fills the air, along with delicious aromas of the amazing meal to come. Friends, neighbors, and family members are ever-present, sneaking tastes from every pot. And in the center of it all, Daisy is laughing, singing, tasting, and appreciating everything that her kitchen--and life!--has to offer. Does this sound like your kitchen? If not, don't despair. In this book and on her acclaimed national public television series, Daisy Cooks!, Daisy teaches you how to bring excitement back to the table with Latin-inspired food that your friends and family will love! Some of these recipes will remind you of meals you've enjoyed in restaurants. Some are great variations on dishes you already cook. Some are totally new. All of them will rock your world. Daisy's flavorful, satisfying interpretation of the best dishes from Puerto Rico, Mexico, Spain, Cuba, the Dominican Republic, and Central and South America all taste like the results of a day in the kitchen--but in reality, most take only thirty minutes to prepare. Here, you'll find the techniques that Daisy learned at the French Culinary Institute, along with her mother's and grandmother's time-tested tricks! This winning combination results in dishes that range from elegant Chicken Braised with Figs to soul-satisfying Cuban Black Bean Soup to to-die-for homemade Dulce de Leche. And then, of course, there are Daisy's "Top Ten Hits"--the recipes that, once you try them, are guaranteed to change the way you cook forever. In this first chapter, Daisy shows how simple flavor boosters, in addition to a few easy techniques, can make every meal mouthwateringly special. In Daisy's words, "If you can season, cook, and dress pork chops and serve them alongside fragrant yellow rice in less than thirty minutes, I can't imagine why you'd eat anything from a cardboard carton!" With ingredients that are found in almost every supermarket, equipment that every kitchen contains, and a little bit of adventurousness on your part, the recipes in this book will transform your mealtimes for good. So jump right in--it's time to get Daisy-fired!</span>

<span>The Divine Mother is known by many names and takes many forms. In Christianity, she is the Virgin Mary. In China, she is universally loved as the goddess of compassion, Quan Yin. In Hawaii, Pele, the goddess of fire, manifests in the form of a woman near the volcanoes. In India, she is embodied by Kali, Lakshmi, Tara, and other goddesses. The fusion of feminine qualities from all religions and traditions, the Divine Mother can be a nurturing presence and a powerful guide along your individual spiritual path. Through stories, prayers, and teachings, Sondra Ray enthusiastically escorts you into the profound reawakening of the sacred feminine in the hearts and minds of seekers throughout the world. Ray describes her pilgrimages to holy places where she has sought the divine feminine, from the revered Baca Valley in Colorado to the Himalayan foothills. Her reflections on Amma (the hugging saint), Mother Teresa, Mary Magdalene, and other Divine Mothers, as well as men like Shastriji and Babaji, who embrace the feminine aspect of divinity, provide insight and inspiration as well as suggestions for worship and renewal. Ray's delightful and awe-inspiring adventures, coupled with insightful teachings and prayers, show how embracing the Divine Mother can help attract more love, abundance, clarity, and wisdom into your life. In Rock Your World with the Divine Mother, Ray demonstrates that the Divine Mother's presence is essential for both inner peace and peace in the world.</span>

<span>How did the newspaper, music, and film industries go from raking in big bucks to scooping up digital dimes? Their customers were lured away by the free ride of technology. Now, business journalist Robert Levine shows how they can get back on track. On the Internet, "information wants to be free." This memorable phrase shaped the online business model, but it is now driving the media companies on whom the digital industry feeds out of business. Today, newspaper stocks have fallen to all-time lows as papers are pressured to give away content, music sales have fallen by more than half since file sharing became common, TV ratings are plummeting as viewership migrates online, and publishers face off against Amazon over the price of digital books. In Free Ride, Robert Levine narrates an epic tale of value destruction that moves from the corridors of Congress, where the law was passed that legalized YouTube, to the dorm room of Shawn Fanning, the founder of Napster, from the bargain-pricing dramas involving iTunes and Kindle to Google's fateful decision to digitize first and ask questions later. Levine charts how the media industry lost control of its destiny and suggests innovative ways it can resist the pull of zero. Fearless in its reporting and analysis, Free Ride is the business history of the decade and a much-needed call to action.</span>
