Doubtless few people today who have the slightest thought of, well, a passing need for a thesaurus--a book providing synonyms--have ever opened Roget's. With Thesaurus.com, and all of the other quick-fix solutions to vocabulary issues, something as extensive and, yes, requiring actual research to use, does not fit into the "texting," "Tweeting ...

Roget's Thesaurus Large Print - Synonyms & Antonyms: Roget ...

We tend to think of a thesaurus as a collection of synonyms and antonyms. But Roget's is essentially a reverse dictionary. With a dictionary, the user looks up a word to find its meaning. With Roget's, the user start with an idea and then keeps flipping through the book until he finds the word that best expresses it. The organization of the book reflects the unique intelligence of the polymath that created it.

brings together in one place all the terms associated with a single thought or concept; it allows a wide-ranging survey of language within a book of relatively modest size, without the space-consuming repetitions that so severely limit the scope of thesauruses arranged in a dictionary format with A-to-Z entries. This brilliant organization makes Roget's International Thesaurus® both the most efficient word finder and a cutting-edge aid in stimulating thought, organizing ideas, and writing and speaking more clearly and effectively. This revised and updated sixth edition features thousands of new words and phrases, including the newest slang words and expressions that color and inform everyday language. It retains all of the hallmarks that have made Roget's International Thesaurus® an enduring classic: More than 330,000 words and phrases organized into 1,075 categories. A pinpoint reference system that directs the user quickly from a comprehensive index to the numbered category of the right word. Thousands of cross-references throughout lead to other helpful categories. Hundreds of supplemental word lists that supply the names of things which have no synonyms (measurements, wines, weapons, animals, state mottoes, and more) as well as hundreds of quotations that amplify the meanings of selected words. Generations of students, writers, editors, and speakers have made Roget's the most popular word reference book next to the dictionary. Continuing a
