This is the ultimate owner's manual for the world's most popular guitar! This is a step-by-step, heavily illustrated guide to everything about the legendary Fender electric guitar, the Stratocaster! It shows owners and dreamers the basics of selecting and buying Strats; maintenance and repairs such as tuning, setting intonation, tremolo alignment, fret repairs, and bridge and nut adjustments; electrical troubleshooting; spur-of-the-moment stage-side fixes; and some basic "performance" enhancements such as adding "hot rod" Fender and aftermarket pickups, locking-tremolo nuts, and more. Let world-renowned guitar expert Terry Burrows be your guide to this awesome instrument. Gorgeous shots of Fender guitars and guitar parts and images of well-known musicians playing Stratocasters make this a book no fan will want to miss.

If you want to survive the coming wars in America against the New World Order invasion, this is the book for you. This is a Field Manual for warriors and knights who have a mission to fight a superior army with superior weapons and numbers from a covert (stealthy) offensive position. If you want to increase your chances of survival and victory in battle, this is a must read book.

Written by an expert dog whisperer and dog owner, the Kelpie Complete Owner's Manual has the answers you may need when researching this tireless herding breed. Learn about this highly energetic, very smart, purebred and find out whether or not this outstanding working dog will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the Kelpie 's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not this dog is the breed for you. If you already have a Kelpie, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together. Covered in this book: - Temperament - Pros and Cons - Vital statistics - Before you buy - Choosing the right dog - Finding a breeder - Puppy proofing your home - The first weeks - Health and common health problems - Medical care & safety - Daily care - Feeding - Bad treats and snacks - Good treats and snacks - House training - Grooming - Training - Poisonous Foods & Plants - Caring for your aging dog and much more.
