CHAPTER ONE Just after three in the morning, Sam Dryden surrendered the night to insomnia and went running on the boardwalk. Cool humidity clung to him and filtered the lights of El Sedero to his left, the town sliding past like a tanker in the fog. To his right was the Pacific, black and silent as the edge of the world tonight.

A first installment in a new series by the best-selling author of The Breach finds retired Special Forces operative Sam Dryden saving the life of an 11-year-old girl with no memory of her past who possesses a dangerous skill that is highly sought by violent government forces. 100,000 first printing. She is scared. Alone. Only eleven years old. And the target of a nationwide manhunt. But why? Because Rachel is the most dangerous person in the world. Hunted by the people she escaped from, she cannot remember who she is, or why she is so important. When Sam Dryden, a former elite soldier, instinctively helps hide this terrified young girl, he has no idea what he is unleashing. As they race to solve the puzzle of Rachel's lost memory, her true identity emerges. And it is a secret so powerful that no one can imagine its devastating effects . . . 'Furiously paced, a terrific cast of characters, unrelenting action - strap in and enjoy the ride.' Jesse Kellerman'Finally, an action-packed novel brimming with complex characters as well as genuine heart. Not to be missed.' Lisa Gardner

From the author of Runner, Sam Dryden comes under attack from unknown forces as an unremembered episode from his past threatens more than just his life. On an otherwise normal morning, former Special Forces operative Sam Dryden is the target of an unsuccessful attempted abduction. Using his attacker's cellphone, he learns that another person, a woman named Danica Ellis, is also being targeted. Dryden arrives just in time to save Danica from the assault team sent after her. But neither of them recognize the other, or have any idea why they are being targeted. The only clue is a heavily redacted, official-looking document given to Danica by her stepfather before he was killed. Dryden immediately recognizes it as a "scrub file." A scrub file is a record of what a subject knew before their memories were chemically destroyed. The redacted document refers to witnesses to a secret military site in Ashland, Iowa in 1989. Both Dryden and Danica Ellis lived in Ashland in 1989, when they were both twelve years old, though neither of them has any memory of the other. Switching back and forth between the present day, when Dryden and Danica try to elude the forces that are after them, and the past in Ashland, Iowa, when both were twelve, making a discovery that forever changed their lives, this latest Sam Dryden novel proves yet again that Patrick Lee is one of the most original, compelling thriller writers today.

“In a word: Brilliant...It left me breathless and awed...Pure exhilaration from the first page to the last.” –James Rollins, New York Times bestselling author of Altar of Eden “WOW! Double Wow!...Ghost Country by Patrick Lee will make Asimov and Heinlein cheer with the angels. The techno-thriller meets Sci-Fi, and the result is mind-blowing.” –Stephen Coonts, New York Times bestselling author of Disciple Patrick Lee reinvented and revitalized the contemporary thriller with his extraordinary debut The Breach (“Audacious and terrifying” –Lee Child). Now his conflicted ex-cop/ex-con hero Travis Chase is back in the breathtaking follow-up Ghost Country. Both Michael Crichton and Dean Koontz fans, X-Files aficionados and devotees of FOX TV’s Fringe, will be blown away by Lee’s Ghost Country—a nightmarish tale of a nefarious plot unleashed at the highest levels of government that will bring about the end of everything in a matter of a few short months.

Readers of Lee Child and Dan Brown will love this outstanding high-concept thriller by Patrick Lee 'Patrick Lee is a huge talent' Lee Child *** A DESPERATE PLEA FOR HELP The middle of the night. Sam Dryden takes a call from an old friend from his days in the military. She needs his help. Urgently. There's no further explanation. A RACE AGAINST TIME Two hours later, Dryden and his former teammate smash their way in to a remote desert shack. Inside they discover four young girls, caged and threatened with death by their abductor. Dryden acts. AN IMPOSSIBLE SECRET But how had Dryden's friend known what about to unfold? Why was it so important that they flee the scene before the police arrive? Only one thing is certain: Dryden is now facing a ruthless enemy that always seems to be one step ahead . . . Praise for Patrick Lee: 'Audacious and terrifying - uncannily believable' Lee Child 'Pure adrenaline rush . . . an action-packed novel brimming with complex characters as well as genuine heart. Not to be missed' Lisa Gardner 'Patrick Lee is in a word: Brilliant. Less a novel, than an adventure, it left me breathless and awed. It's explosive, innovative and ultimately mind-blowing. Pure exhilaration from the first page to the last' James Rollins 'An amazing,

high speed, hi-octane novel than moves faster than most people can read. Rarely is a story both plot driven and character driven, but Runner does this and more' Nelson DeMille 'I'm going to sue Patrick Lee for giving me whiplash: that's how furiously paced this book is. A terrific cast of characters, unrelenting action - strap in and enjoy the ride' Jesse Kellerman 'A thriller done right. It literally begs to be read in one sitting . . . Patrick Lee is the real deal' Steve Berry 'WOW! Double Wow! Starkly original . . . mind-blowing' Stephen Coonts

“Lee has an intense brand of storytelling...[He’s] the real deal.” Steve Berry, New York Times bestselling author of The Jefferson Key Patrick Lee’s extraordinary Breach trilogy comes to an explosive and breathtaking conclusion with Deep Sky—as Travis Chase of the ultra-secret government agency Tangent finally comes face to face with the decision that could determine the ultimate fate of the world. With The Breach, Ghost Country, and now Deep Sky, Patrick Lee has established himself as a major voice in the thriller genre, combining ingenious scenarios with non-stop action and X-Files-like strangeness. His electrifying fiction has earned exuberant praise from a host of New York Times bestselling masters of suspense (“Audacious and terrifying” –Lee Child, “Brilliant...Pure exhilaration from the first page to the last” –James Rollins, “WOW! Double Wow!...Makes Tom Clancy look like the slowest child in the class.” –Stephen Coonts). Everything ends here...and there is nowhere on Earth to hide.

“Audacious and terrifying—and uncannily believable.” –Lee Child New York Times bestselling author of the Jack Reacher series, Lee Child, was blown away by The Breach—and you will be, too! A novel of unrelenting suspense and nonstop surprises, The Breach immediately rockets author Patrick Lee into the V.I.P. section of the thriller universe. A treat for Jack Bauer (“24”) fans and “X-Files” aficionados, it is a white-knuckle roller-coaster ride that combines the best of Dean Koontz and Michael Crichton with a healthy dollop of Indiana Jones thrown into the mix—the perfect secret agent/government conspiracy/supernatural adventure.

The Exclusive Method You Can Use to Learn—Not Just Memorize—Essential Words A powerful vocabulary expands your world of opportunity. Building your word power will help you write more effectively, communicate clearly, score higher on standardized tests like the SAT, ACT, or GRE, and be more confident and persuasive in everything you do. Using the exclusive Fiske method, you will not just memorize words, but truly learn their meanings and how to use them correctly. This knowledge will stay with you longer and be easier to recall—and it doesn't take any longer than less-effective memorization. How does it work? This book uses a simple three-part system: 1. Patterns: Words aren't arranged randomly or alphabetically, but in similar groups based on meaning and origin that make words easier to remember over time. 2. Deeper Meanings, More Examples: Full explanations—not just brief definitions—of what the words mean, plus multiple examples of the words in sentences. 3. Quick Activities: Frequent short quizzes help you test how much you've learned, while helping your brain internalize their meanings.
