The must-have book for FullyRaw fans or anyone who wants to explore a raw-foods vegan diet to lose weight, gain energy, and improve overall health and wellness. The Fully Raw Diet offers a 21-day plan to help people enjoy a clean, plant-based, healthful approach to eating. Kristina Carrillo-Bucaram transformed her own health by eating vegetables, fruits, nuts, and seeds—100% fresh, raw, and ripe—and she is now the vivacious, uber-healthy founder of the FullyRaw brand. Her ten-year success with this lifestyle inspires thousands via social media, and her 21-day FullyRaw Video Challenge on YouTube in 2014 dramatically grew her fan base. This book shares her advice and will correspond to a new video challenge, with meal and exercise tips, recipes, and vivid photos. Fans will love the smoothies, salads, main dishes, and desserts, such as Lemon-Ginger Blast, Spicy Mango Basil Salad, Yellow Squash Fettuccine Alfredo, Melon Pops, and Caramel-Apple Cups.

The ultimate raw food book, for raw newbies and experienced raw foodists alike, with 130 recipes and shopping and swapping lists. Nearly twenty years ago, thanks to a raw food diet, Carol Alt cured a world of headaches, stomach issues, and fatigue and became healthier, more energetic, and slimmer than she's ever been. In *Easy Sexy Raw* she shares how anyone can experience the benefits of the uncooked lifestyle. Carol takes all of the intimidation out of going raw, providing straightforward advice, easy tips, and 130 super-simple and delicious recipes that will make the transition a snap. Useful tools—such as a swapping list of raw substitutes for favorite cooked items and a “Turn It Raw” section that shows you how to gradually convert favorite dishes to raw (even chocolate chip cookies!)—will help both new and seasoned raw eaters to build a recipe repertoire. And the dishes, including contributions by raw food authorities and chefs like Ani Phyo, Sarma Melngailis, and Raw Chef Dan, are tasty and filling—even for those who are just trying out raw for the first time:

- Yellow Squash Fettuccine with Creamy Pine Nut Alfredo, Lemon Basil, and Green Olives
- Good Stuff by Mom & Me's Salad Pizza with Tomato Sauce
- Gingery Squash and Coconut Noodle Soup
- Indian-Style Papaya Salad
- Abundance Burgers with Marinated Mushrooms and Jicama Fries
- Apple Marzipan Pie
- Triple Orange Salad with Pistachios and Mint
- Maya Chocolate Pie

Carol offers tips on the best equipment to use; demystifies methods like soaking, sprouting, and dehydrating; and even discusses raw dairy, good and bad fats, and which sweeteners are best for your body. *Easy Sexy Raw* is the must-have primer for anyone who wants a healthier lifestyle and a natural way to feel sexier and more beautiful.

Large format book of photographs by David G. Fitzgerald and essays and captions by the Choctaw Nation about the culture, people and places of the Choctaw Nation in southeastern Oklahoma

The New York Times bestselling guide to the lifesaving diet that can both prevent and help reverse the effects of heart disease. Based on the groundbreaking results of his twenty-year nutritional study, *Prevent and Reverse Heart Disease* by Dr. Caldwell Esselstyn illustrates that a plant-based, oil-free diet can not only prevent the progression of heart disease but can also reverse its effects. Dr. Esselstyn is an internationally known surgeon, researcher and former clinician at the Cleveland Clinic and a featured expert in the acclaimed documentary *Forks Over Knives*. *Prevent and Reverse Heart Disease* has helped thousands across the country, and is the book behind Bill Clinton's life-changing vegan diet. The proof lies in the incredible outcomes for patients who have followed Dr. Esselstyn's program, including a number of patients in his original study who had been told by their cardiologists that they had less than a year to live. Within months of starting the program, all Dr. Esselstyn's patients began to improve dramatically, and twenty years later, they remain free of symptoms. Complete with more than 150 delicious recipes perfect for a plant-based diet, the national bestseller *Prevent and Reverse Heart Disease* explains the science behind the simple plan that has drastically changed the lives of heart disease patients forever. It will empower readers and give them the tools to take control of their heart health.
