Because the SAT is a paper test (as opposed to a computer test), it's best to take the practice tests on paper. Also, make sure you do your scratch work directly on the test. Don't get out separate pieces of scratch paper to use since on the actual test you won't get any scratch paper (but will be allowed to take notes directly in your test booklet).

But her progressive actions are not without consequence and ultimately culminate in a night of death-defying stories that take readers on a magic carpet ride from a schoolroom in the South to the banks of the Tigris (and back again).
