The authoritative guide that will take shy guys everywhere-from the first date to home plate. "Hey baby, what's your sign?" "Come here often?" These lines may work in the movies, but not in real life, and not for the millions of guys too shy to risk their dignity on such flimsy pickup lines. Barry Dutter knows, he used to be a shy guy himself, sitting at home night after night watching television because asking a woman for a date was simply too scary. Not anymore. He's learned dozens of tricks to help shy guys ease into the swing of dating while avoiding humiliating rejections and romantic disasters. Keeping a shy guy's tender ego in mind, he tells guys where to meet women, which ones to approach and which to avoid. Readers will learn what to do with them, and how to act from the first date through commitment time. Filled with hilarious lessons from the pop culture we grew up in, this witty, commonsense guide is a must for everyone who's ever been afraid to try-which means everyone.

Presents a plan to cure heartburn by relieving the cause of the problem--insufficient stomach acid secretion--through the use of stomach acid supplements and other natural treatments.

Acclaimed essayist Mark Edmundson reflects on his own rite of passage as a high school football player to get to larger truths about the ways America's

Game shapes its men Football teaches young men self-discipline and teamwork. But football celebrates violence. Football is a showcase for athletic beauty and physical excellence. But football damages young bodies and minds, sometimes permanently. Football inspires confidence and direction. But football instills cockiness, a false sense of superiority. The athlete is a noble figure with a proud lineage. The jock is America at its worst. When Mark Edmundson's son began to play organized football, and proved to be very good at it, Edmundson had to come to terms with just what he thought about the game. Doing so took him back to his own childhood, when as a shy, soft boy growing up in a blue-collar Boston suburb in the sixties, he went out for the high school football team. Why Football Matters is the story of what happened to Edmundson when he tried to make himself into a football player. What does it mean to be a football player? At first Edmundson was hapless on the field. He was an inept player and a bad teammate. But over time, he got over his fears and he got tougher. He learned to be a better player and came to feel a part of the team, during games but also on all sorts of escapades, not all of them savory. By playing football, Edmundson became what he and his father hoped he'd be, a tougher, stronger young man, better prepared for life. But is football-instilled toughness always a good thing? Do the character, courage, and loyalty football instills have a dark side? Football, Edmundson found, can be full of bounties. But it can also lead you into brutality and thoughtlessness. So how do you get what's best from the game and leave the worst behind? Why Football Matters is moving, funny, vivid, and filled with the authentic anxiety and exhilaration of youth. Edmundson doesn't regret playing football for a minute, and cherishes the experience. His triumph is to be able to see it in full, as something to celebrate, but also something to handle with care. For anyone who has ever played on a football team, is the parent of a player, or simply is reflective about its outsized influence on America, Why Football Matters is both a mirror and a lamp.

Raina Telgemeier's #1 New York Times bestselling, Eisner Award-winning graphic memoir based on her childhood! Raina just wants to be a normal sixth grader. But one night after Girl Scouts she trips and falls, severely injuring her two front teeth. What follows is a long and frustrating journey with on-again, off-again braces, surgery, embarrassing headgear, and even a retainer with fake teeth attached. And on top of all that, there's still more to deal with: a major earthquake, boy confusion, and friends who turn out to be not so friendly.

Is it True Love? (Circle the correct answer.) 1. You are dating an incredible boy named Stephen. He's good-looking, sexy, kind, funny, and smart. But you can't stop fantasizing about Sean, the hottest senior in school. Are you really in love with your boyfriend? Yes or No 2. You think about your high school teacher 24/7. You plot to hide in his bedroom closet and surprise him. Are you in love or out of your mind? In Love or Delusional 3. You and your boyfriend, Rob, spend Saturday nights playing video games, sharing pizza, and hanging out with his friends. Is this love or friendship? Boyfriend or Buddy 4. You meet a guy who makes your heart race and your knees weak. You are soul mates, the perfect match, cosmically meant for each other. You decide to bail high school and run away and marry him. Are you in love or brainless? In Love or Crazy Holly, Madison, and Lina are looking for true love. But how can you tell when it's real? What is true love anyway? For the answers, open this book and read on ... because Holly, Madison, and Lina are about to run smack into the truth about love!

A luminous novel of a powerfully intuitive young girl's coming-of-age in a small, Midwest town in the late 1960s. Eleven-year-old Grace Carter has a talent for hiding things. She's had plenty of practice, burying thoughts and feelings that might anger her strict Evangelical pastor father, and concealing the deep intuition she carries inside. The Knowing, as Grace calls it, offers glimpses of people's pasts and futures. It enables her to see into the depth of her mother's sadness, and even allows Grace to talk to Isaac, her twin brother who died at birth. To her wise, loving Aunt Pearl, the Knowing is a family gift; to her daddy, it's close to witchcraft. Grace can't see into someone's thoughts without their permission. But it doesn't take her special talent to know that her small community is harboring its share of secrets. A young girl has gone missing. Within Grace's own family too, the cracks are widening, as her sisters Hope, Joy, and Chastity enjoy the normal life that eludes Grace. It's Grace's kinship with other outsiders that keeps her afloat—Lyle, a gentle, homeless man, and Lola, a free-spirited new girl at school. But when her mother lapses into deep depression after bringing home a new baby, Grace will face a life-changing choice—ignore her gift and become the obedient daughter her father demands, or find the courage to make herself heard, even if it means standing apart... "A heartfelt and beautifully crafted coming-of-age debut...Don't miss this one."—Lesley Kagen, New York Times bestselling author

In the mythical town of Gold Ridge, California, Brett Corcoran is pursuing his dream of a career in professional baseball. After a disastrous fall training season, he is cut from the local community college team. But when his father, Don, finds his old high school coach Webb Johnson living in a flophouse in town, everything is about to change. Don persuades Webb to work with his son to rebuild his dream. But there is one provision: Webb must abstain from alcohol while ignoring Don's downward spiral into the same disease. Webb begins to bring himself and Brett back from rock bottom, teaching

old school lessons and building confidence. Brett is helped along in his quest by Ramona, a passionate young nursing student and the love of his life. Meanwhile, as a pandemic and social chaos unfold, Don is heading towards the abyss. In this moving novella, a young man battles family conflicts and personal demons to resurrect his dream of professional baseball amid a pandemic and social upheaval.

Although not entirely a happy memoir, this book looks back on the author's life with a dash of humor. It reminds the author of his mostly painful yet rewarding challenges while growing up, and being a Greek orphan. In this book, he states that his life had an enormous toll on him, leaving deep scars that are difficult to heal. However, this story is not merely about the author's life. It also contains several universal themes about childhood, adoption, how to raise children, and more. Touching and enlightening at the same time, Twentieth-Century Janissary: An Orphan's Search For Freedom, Family, and Heritage also invites the younger generation of Greeks to cherish their heritage and legacy. This book is available in trade paperback, trade hardback, and eBook formats. For more information, interested parties may log on to www.Xlibris.com.
