Wicked meets The Little Mermaid in the captivating origin story of the sea's most iconic villainess, perfect for fans of Heartless and Dorothy Must Die. Ever since her best friend Anna died, Evie has been

Download Ebook Seawitch

an outcast in her small fishing town. Hiding her talents, mourning her loss, drowning in her guilt. Then a girl with an uncanny resemblance to Anna appears on the shore, and the two girls catch the eyes of two charming princes. Suddenly Evie feels like she might finally have a chance at her own happily ever after. But magic isn't kind, and her new friend harbors secrets of her own. She can't stay in Havnestad—or on two legs—without Evie's help. And when Evie reaches deep into the power of her magic to save her friend's humanity—and her prince's heart—she discovers, too late, what she's bargained away.

When a boat that vanished twenty-five years prior returns to its old berth in Seattle with a cabin containing symbols drawn in human blood, Greywalker Harper Blaine investigates what happened to the ship's passengers and crew.

The tale of murder and revenge set on a remote oil rig, from the acclaimed master of action and suspense.

“The Little Mermaid” takes a twisted turn in this thrilling sequel to

Download Ebook Seawitch

villainess origin story Sea Witch, as the forces of land and sea clash in an epic battle for freedom, redemption, and true love. Runa will not let her twin sister die. Alia traded her voice to the Sea Witch for a shot at happiness with a prince who doesn't love her. And his rejection will literally kill her—unless Runa intervenes. Under the sea, Evie craves her own freedom—but liberation from her role as Sea Witch will require an exchange she may not be willing to make. With their hearts' desires at odds, what will Runa and Evie be willing to sacrifice to save their worlds? Told from alternating perspectives, this epic fairy tale retelling is a romantic and heart-wrenching story about the complications of sisterhood, the uncompromising nature of magic, and the cost of redemption.

Harper Blaine was your average small-time PI until she died—for two minutes. Now Harper is a Greywalker, treading the thin line between the living world and the paranormal realm. And she's discovering that her new abilities are landing her all sorts of "strange" cases. A quarter century ago, the Seawitch cruised away from her dock and disappeared with everyone on board. Now the boat has mysteriously returned to her old berth in Seattle and the insurance company has hired Harper to find out what happened—but she's not the only one investigating. Seattle police detective Rey Solis is a good cop,

Download Ebook Seawitch

albeit one who isn't comfortable with the creepy cases that always seem to end up in Harper's lap. As Solis focuses on the possible murder of a passenger's wife, Harper's investigation leads her to a powerful being who may be responsible for the Seawitch's disappearance. While their searches lead Harper and Solis in different directions, they will need to put aside their differences to solve a mystery twenty-five years in the making...

The Time: The Golden Age of Piracy - 1716. The Place: The Pirate Round - from the South African Coast to the Caribbean. Escaping the bullying of his elder half-brother, from the age of fifteen Jesamiah Acorne has been a pirate with only two loves - his ship and his freedom. But his life is to change when he and his crewmates unsuccessfully attack a merchant ship off the coast of South Africa. He is to meet Tiola Oldstagh an insignificant girl, or so he assumes - until she rescues him from a vicious attack, and almost certain death, by pirate hunters. And then he discovers what she really is; a healer, a midwife - and a white witch. Tiola and Jesamiah become lovers, but the wealthy Stefan van Overstratten, a Cape Town Dutchman, also wants Tiola as his wife and Jesamiah's jealous brother, Phillipe Mereno, is determined to seek revenge for resentments of the past, a stolen ship and the insult of being

Download Ebook Seawitch

cuckolded in his own home. When the call of the sea and an opportunity to commandeer a beautiful ship - the Sea Witch - is put in Jesamiah's path he must make a choice between his life as a pirate or his love for Tiola. He wants both, but Mereno and van Overstratten want him dead. In trouble, imprisoned in the darkness and stench that is the lowest part of his brother's ship, can Tiola, with her gift of Craft and the aid of his loyal crew, save him? Using all her skills Tiola must conjure up a wind to rescue her lover, but first she must brave the darkness of the ocean depths and confront the supernatural being, Tethys, the Spirit of the Sea, an elemental who will stop at nothing to claim Jesamiah Acorne's soul and bones as a trophy for herself

Have you ever wondered why villains are what they are? Is a villainous heart instilled at birth, or do decisions and actions warp a good heart into a villainous one? You have certainly already heard of the Sea Witch, but do you know her real story? Though she works as a palace maid, Serena is no ordinary mermaid. From birth she manifested the magical powers of a sea witch, just like her mother, Moira. But Serena does not want to be like her mother, cruel and selfish, so she rejects her magical powers. At least until her ever growing love for the unattainable Prince Triton pushes her to her

Download Ebook Seawitch

breaking point. Just when it seems he's taken notice, that she could actually win his heart, his mother, Queen Amphitrite, makes it clear her son will never marry a palace maid, much less the daughter of a sea witch with a seedy reputation. Serena's dreams are slipping through her fingers, and she must decide if she is willing to embrace her magical powers and take her dreams by force. Magic could solve all her problems, or so she thinks, but at what price?

Stephen Coonts weaves three unforgettable tales of men and women at war, with the sort of dramatic military action and undercover technology for which he is known. Included in this collection are: The Sea Witch... When young Dauntless dive-bomber pilot is sacked for reckless behavior, he's reassigned to a Black Cat squadron as the co-pilot of a giant Catalina seaplane, The Sea Witch. He's thrown into a whole new world, where a Catalina carries five tons of bombs, a half-dozen machine guns, and a crew that walks a fine line between valor and a death wish. A daring night bombing mission against Rabaul forces the crew of The Sea Witch to band together as never before. Each man will soon find out what he's made of..and not everyone will make it back alive. The 17th Day... Seventeen days...the average life expectancy of a British Aviator during WWI. Last three weeks, and you were practically a veteran. Paul Hyde dropped out of college to join

Download Ebook Seawitch

the Royal Flying Corps, looking for a grand adventure. And grand it was, or so he assured himself when planes were crashing all around him. Today is his seventeenth day. Will he be able to beat the odds? Al Jihad... Charles Dean is retired from the military, determined to be done with that part of his life. But when Julie Girard, the daughter of his old commander, seeks him out, he can't say no to a simple lunch. What she has in mind isn't quite so simple. She wants Dean to help her kill the terrorists who murdered her parents. She offers him three million dollars and the chance to avenge his commander's death. But all is not as it seems, and before long Dean and Girard must use all their skills just to stay alive... This novella collection gathers these three evocative tales from New York Times bestselling author Stephen Coonts into one cohesive volume. Here is Coonts doing what he does best--writing about men and women at war. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
