ties. She's never been tempted to cross that line--until Sergei. The Russian behemoth works as an enforcer for mob boss Nikolai Kalasnikov and fights as his champion in the underground bare-knuckle circuit. Sergei is absolutely the last complication she needs in her life--but he's the only man who makes her body ache with desire. And right now she needs his help. When he learns some creep is bothering Bianca, Sergei Sakharov vows to protect her at all costs. He's been trying to get close to the plus-sized beauty for months but she rejects him at every turn. He's determined to show her that he's worth more as a man than his criminal connections. But Sergei's loyalty to his family--both blood and criminal--put him at odds with the future he wants with Bianca. He has to choose--the woman he desperately loves or his loyalty to the man who saved his life. Because the darkness of the underworld he inhabits is about to spill into Bianca's life and the hardest choice may be the only one that allows him to protect her...

\*\*\*USA TODAY BESTSELLER\*\*\* Claimed and cherished by Houston's most ruthless mob boss, artist Vivian Kalasnikov embraces her new position as Nikolai's wife and the lonely, dangerous role as queen of Houston's underworld. But Nikolai is keeping secrets from her, and the whispers of a coming street war leave her terrified for the man she so passionately loves—and the tiny life growing inside her. Nikolai finally has everything he's ever wanted—power, wealth and a family with Vivian, the beautiful sun who lights up his dark life. But as his young wife prepares for her debut on the international art stage, he finds himself drawn into a bloody conflict that threatens the quiet life he's painstakingly built. He can feel the promise of his future happiness slipping through his fingers like grains of sand. One wrong move, and he'll lose Vivian and his child forever. One wrong move, and he won't see another sunrise. The sins of their fathers have come back to haunt Vivian and Nikolai. To protect his beloved wife and his heir, he'll do absolutely anything. The brutal gangster who violently conquered the streets of Moscow and Houston is about to be unleashed—and Houston's underworld will never be the same again.

Shay Sandoval has big dreams and works hard to achieve them. But her older sister likes that fast, easy money and finds herself in a hot mess of trouble when she helps her boyfriend scam Houston's underworld. Terrified for her sister and herself, Shay turns to the only man powerful enough to save them—former prize fighter and Russian mob enforcer Alexei Sarnov. Just as ruthless in business as he was on the streets, Alexei has built a new life as a respected, wealthy businessman. When he learns

"A thriller dipped in poison ... shares some of le Carré's fascination with secret worlds and the nature of evil." —The New York Times The terrifying, lengthening list of Russia's use of lethal poisons against its critics has inspired acclaimed author Sergei Lebedev's latest novel. With uncanny timing, he examines how and why Russia and the Soviet Union have developed horrendous neurotoxins. At its center is a ruthless chemist named Professor Kalitin, obsessed with developing an absolutely deadly, undetectable and untraceable poison for which there is no antidote. But Kalitin becomes consumed by guilt over countless deaths from his Faustian pact to create the ultimate venom. When the Soviet Union collapses, the chemist defects and is given a new identity in Western Europe. After another Russian is murdered with Kalitin's poison, his cover is blown and he's drawn into an investigation of the death by Western agents. Two special forces killers are sent to silence him—using his own undetectable poison. In this fast-paced, genre-bending tale, Lebedev weaves suspenseful pages of stunningly beautiful prose exploring the historical trajectories of evil. From Nazi labs, Stalinist plots and the Chechen Wars, to present-day

Russia, Lebedev probes the ethical responsibilities of scientists supplying modern tyrants and autocrats with ever newer instruments of retribution, destruction and control.

This acclaimed twenty-first-century Russian novel is "a Dantean descent" into the abandoned Soviet gulags, written "with a clear poetic sensibility" (The Wall Street Journal). In Sergei Lebedev's debut novel, an unnamed young man travels to the vast wastelands of the Far North to uncover the truth about a mysterious neighbor who once saved his life, and whom he knows only as Grandfather II. What he finds among the forgotten mines and decrepit barracks of former gulags is a world relegated to oblivion, where it is easier to ignore both the victims and the executioners than to come to terms with a terrible past. This disturbing tale evokes the great and ruined beauty of a land where man and machine work in tandem with nature to destroy millions of lives during the Soviet century. Emerging from today's Russia, where the ills of the past are being forcefully erased from public memory, this masterful novel is an epic literary act of bearing witness, attempting to rescue history from the brink of oblivion. A Wall Street Journal Top 10 Novel of the Year "Not since Alexander Solzhenitsyn has Russia had a writer as obsessed as Sergei Lebedev with that country's history or the traces it has left on the collective consciousness . . . The best of Russia's younger generation of writers." "The New York Review of Books
