Next we move up to five different training branches. First, we have the hosts, who must be trained to be well-versed in the restaurant layout, the computer system, and general operations. Server programs make up the second and third branches, and programs for bartenders make up the fourth and fifth branches. These branches start first with job basics, such as the steps of service servers should follow and how bartenders should count while pouring.

restaurant revenue. The most important part of the restaurant server training manual is the six steps of service. Basically, your managers, servers and greeters will learn and memorize the six steps of service. Your employees will live the steps of service from shift to shift. The server steps of service begin when the customer arrives and walks through your restaurant front door and ends when they depart the restaurant. Your goal is to provide exceptional wow customer service by applying the steps of service all throughout the customer's visit.

# Online Library Server Training Workbook

It can be very frustrating as an independent restaurant manager to be constantly training your serving staff and, let's face it, you really don't have the time. You don't always have available to you specific training aids such as those that the big chain restaurants do. And when you do find something, it's just too costly. Well..... until now, that is. The Server Training Manual was developed as a simple guide to help the small independent restaurant manager to easily train their serving staff. This book will teach the serving staff the proper way to take and deliver orders, how to work together as a

# Online Library Server Training Workbook

team, as well as the best way to handle complaints. It will give your staff the basic training to help them offer your customers the excellent service that will have them coming back time and time again. And you know that good service is a very big part of your business.
