Shiloh Chapter Summaries - Videos & Lessons | Study.com

Written by Jody Perry. Marty Preston is an eleven year old boy who likes to walk the backwoods behind his house. On one of his walks, Marty finds a beagle cowering in the bushes so he goes over to the dog and pets him. The dog seems shy but receptive to Marty although he doesn't respond to Marty's call of "Here, boy!"

Shiloh Book Summary Shiloh is written in the first person point of view, revealing the thoughts and feelings of the determined and compassionate protagonist, Marty Preston. The novel begins when a young beagle follows 11-year-old Marty as he takes a walk up in the hills on the road past the old Shiloh schoolhouse near Friendly, West Virginia.

Book Summary - CliffsNotes

Based on a real-life encounter Naylor had with an abused dog in West Virginia, Shiloh is one of her most celebrated works. Eleven-year-old Marty Preston enjoys long walks in the backwoods behind his family's home in the small town of Friendly, West Virginia. On one of these walks, Marty finds a scrawny beagle.

SuperSummary

Pages. 226 pp. ISBN. 978-0-679-73542-7. Shiloh: A Novel is a historical novel about the American Civil War battle of that name, written in 1952 by Shelby Foote. It employs the first-person perspectives of several protagonists, Union and Confederate, to give a moment-by-moment depiction of the battle.

Shiloh Characters | GradeSaver

Shiloh Summary. "Shiloh" is set in a small Western Kentucky town near Paducah and told from the point of view of a voice we don't get to hear from much in literature: an unemployed truck driver named Leroy Moffitt. Leroy has been home for three months recovering from an accident he had while out on the road. He and his wife Norma Jean are both 34 and have been married for 16 years.

Shiloh Summary | Shmoop

Shiloh is a sweet, gentle dog who has clearly been terrorized by Judd Travers. Even when Travers comes to the Preston's home, where Shiloh feels safe and comfortable, he shrinks back into his bed and quivers at the sound of his voice. Travers almost brags about yelling at his dogs or kicking them so hard they might fly across the room.

Marty and his dad rush to save Shiloh, and Marty is pleasantly surprised when his dad takes Shiloh to Doc Murphy's instead of Judd's. She has a bachelor's degree in Elementary Education, a master's degree in Marketing, and is a ...

Marty will do anything to save his new friend Shiloh in this Newbery Medal–winning novel from Phillis Reynolds Naylor. When Marty Preston comes across a young beagle in the hills behind his home, it's love at first sight—and also big trouble. It turns out the dog, which Marty names Shiloh, belongs to Judd Travers, who drinks too much and has a gun—and abuses his dogs. So when Shiloh runs away from Judd to Marty, Marty just has to hide him and protect him from Judd. But Marty's secret becomes too big for him to keep to himself, and it exposes his entire family to Judd's anger. How far will Marty have to go to make Shiloh his?

This fictional re-creation of the battle of Shiloh in April 1862 is a stunning work of imaginative history, from Shelby Foote, beloved historian of the Civil War. Shiloh conveys not only the bloody choreography of Union and Confederate troops through the woods near Pittsburg Landing, Tennessee, but the inner movements of the combatants' hearts and minds. Through the eyes of officers and illiterate foot soldiers, heroes and cowards, Shiloh creates a dramatic mosaic of a critical moment in the making of America, complete to the haze of gunsmoke and the stunned expression in the eyes of dying men. Shiloh, which was hailed by The New York Times as “imaginative, powerful, filled with precise visual details...a brilliant book” fulfills the standard set by Shelby Foote’s monumental three-part chronical of the Civil War.

Author biography, chapter summaries, discussion questions, vocabulary builders, reproducibles, cross-curricular activities for students of all learning styles for the novels: Island of the blue dolphins by Scott O'Dell -- Caddie Woodlawn by Carol Ryrie Brink -- Julie of the Wolves by Jean Craighead George -- Bridge to Terabithia by Katherine Paterson -- Shiloh by Phyllis Reynolds Naylor --The Indian in the Cupboard by Lynne Reid Banks -- The Cay by Theodore Taylor -- Maniac Magee by Jerry Spinelli -- Number the Stars by Lois Lowry.

"Marty and his best friend, Shiloh are on another adventure. Marty learns when a secret is too dangerous to keep, and that hate can spread like fire"--

Marty gets to keep Shiloh! He wasn't able to rescue all the dogs that Judd Travers mistreated, but at least Shiloh is safe . . . right? Not necessarily, it turns out. With hunting season approaching, Judd has started drinking again, and hunting on the outskirts of Marty's family property. What if Judd tries to take back Shiloh? What if one of Marty's sisters gets in the way of Judd's shotgun? It seems only a matter of time before something goes very wrong. The thing is, Marty knows a secret about Judd that no one else does, and if anything terrible happens, he will never be able to forgive himself for keeping quiet. Is it time for Marty to speak up? And can he find the courage to do so, before someone he loves gets hurt?

"These stories will last," said Raymond Carver of *Shiloh and Other Stories* when it was first published, and almost two decades later this stunning fiction debut and winner of the PEN/Hemingway Award has become a modern American classic. In *Shiloh*, Bobbie Ann Mason introduces us to her western Kentucky people and the lives they forge for themselves amid the ups and downs of contemporary American life, and she poignantly captures the growing pains of the New South in the lives of her characters as they come to terms with feminism, R-rated movies, and video games. "Bobbie Ann Mason is one of those rare writers who, by concentrating their attention on a few square miles of native turf, are able to open up new and surprisingly wide worlds for the delighted reader," said Robert Towers in *The New York Review of Books*.

Marty Preston wonders why it is that despite Judd Traver's attempts to redeem himself everyone is still so willing to think the worst of him. Marty's friend David is sure that Judd will be named as the murderer of a man who has been missing. Others are sure that Judd is behind a series of burglaries in the area. But Marty's parents and, with some trepidation, Marty himself persist in their attempts to be good neighbors and to give Judd a second chance. Now that Marty has *Shiloh*, maybe he can help Judd to take better care of his other dogs. Then again, maybe folks are right -- there's no way a Judd Travers can ever change for the good. Then a terrifying life-or-death situation brings this dilemma into sharp focus. *Saving Shiloh* is a powerful novel that brings this trilogy to a close.

The Newbery Award-winning author of *Up a Road Slowly* presents the unforgettable story of Jethro Creighton—a brave boy who comes of age during the turbulent years of the Civil War. In 1861, America is on the cusp of war, and young Jethro Creighton is just nine-years-old. His brother, Tom, and his cousin, Eb, are both of fighting age. As Jethro's family is pulled into the conflict between the North and the South, loyalties are divided, dreams are threatened, and their bonds are put to the test in this heart-wrenching, coming of age story. "Drawing from family records and from stories told by her grandfather, the author has, in an uncommonly fine narrative, created living characters and vividly reconstructed a crucial period of history."—Booklist

Life, Alice McKinley feels, is just one big embarrassment. Here she is, about to be a teenager and she doesn't know how. It's worse for her than for anyone else, she believes, because she has no role model. Her mother has been dead for years. Help and advice can only come from her father, manager of a music store, and her nineteen-year-old brother, who is a slob. What do they know about being a teen age girl? What she needs, Alice decides, is a gorgeous woman who does everything right, as a roadmap, so to speak. If only she finds herself, when school begins, in the classroom of the beautiful sixth-grade teacher, Miss Cole, her troubles will be over. Unfortunately, she draws the homely, pear-shaped Mrs. Plotkin. One of Mrs. Plotkin's first assignments is for each member of the class to keep a journal of their thoughts and feelings. Alice calls hers "The Agony of Alice," and in it she records all the embarrassing things that happen to her. Through the school year, Alice has lots to record. She also comes to know the lovely Miss Cole, as well as Mrs. Plotkin. And she meets an aunt and a female cousin whom she has not really known before. Out of all this, to her amazement, comes a role model -- one that she would never have accepted before she made a few very important discoveries on her own, things no roadmap could have shown her. Alice moves on, ready to be a wise teenager.

"The rare work of fiction that has changed real life . . . If you don't yet know Molly Bolt—or Rita Mae Brown, who created her—I urge you to read and thank them both."—Gloria Steinem Winner of the Lambda Literary Pioneer Award | Winner of the Lee Lynch Classic Book Award A landmark coming-of-age novel that launched the career of one of this country's most distinctive voices, *Rubyfruit Jungle* remains a transformative work more than forty years after its original publication. In bawdy, moving prose, Rita Mae Brown tells the story of Molly Bolt, the adoptive daughter of a dirt-poor Southern couple who boldly forges her own path in America. With her startling beauty and crackling wit, Molly finds that women are drawn to her wherever she goes—and she refuses to apologize for loving them back. This literary milestone continues to resonate with its message about being true to yourself and, against the odds, living happily ever after. Praise for *Rubyfruit Jungle* "Groundbreaking."—*The New York Times* "Powerful . . . a truly incredible book . . . I found myself laughing hysterically, then sobbing uncontrollably just moments later."—*The Boston Globe* "You can't fully know—or enjoy—how much the world has changed without reading this truly wonderful book."—Andrew Tobias, author of *The Best Little Boy in the World* "A crass and hilarious slice of growing up 'different,' as fun to read today as it was in 1973."—*The Rumpus* "Molly Bolt is a genuine descendant—genuine female descendant—of Huckleberry Finn. And Rita Mae Brown is, like Mark Twain, a serious writer who gets her messages across through laughter."—Donna E. Shalala "A trailblazing literary coup at publication . . . It was the right book at the right time."—Lee Lynch, author of *Beggar of Love*
