A leading NBA star and the Pulitzer Prize-winning author of Friday Night Lights present the story of James's inner-city Ohio youth basketball team on which players overcame challenging hardships to qualify for a national championship while learning key lessons about teamwork.

In 15 years, Egan Tucker has spoken to no-one but his mother. Escaping from an abusive husband, Moana (Moma) took baby Egan to live in the Coromandel bush. For 15 years, Moma taught Egan to survive, and instilled in him her code for a good life. A chance meeting with a DOC deer culler (JT) while out hunting, results in Egan finding his first friend. When Moma goes to get supplies one day and never returns, Egan decides to head to Auckland to get help from his mother's friend-but also to try and find JT. But Egan finds that survival amongst the streetkids of Auckland is nothing like living in the bush, and he is unprepared for the tragedy that awaits.

Everyone agrees that the paparazzi are the scourge of the earth. They're low. They're despicable. They'll do anything for that perfect shot. And yet...how long could you go without your Us Weekly fix? Meet Josephine Foster, or *Zo Jo* as she's called in the biz. The best pint-sized photographer of them all, Jo knows that the public-and the stars-have a symbiotic relationship with the paparazzi. She doesn't mind doing what it takes to get that perfect shot, until she's sent on a major undercover assignment to shoot Ned Hartnet-teen superstar and the only celebrity who's ever been kind to her-at an exclusive rehabilitation retreat. The money will be enough to pay for Jo's dream: fine portrait photography classes, and maybe even quitting her 'zo gig for good. Everyone at the retreat wants to know: what Ned's in for? But Jo certainly doesn't know what she's in for: falling in love with Ned was never supposed to be part of her assignment. . . .

"A story brimming with hope and sparkling with magic. Meg Camistra's writing shines as bright as any shooting star." —Cassie Beasley, author of Circus Mirandus "Loving, imaginative, and gorgeously written, this book shines with magic and heart." —Anne Ursu, author of The Lost Girl Wonder meets Mary Poppins in this heartfelt debut novel about magic, healing, and the importance of family. Twelve-year-old Luna loves the nighttime more than anything else. It's when no one gives her "that look" about the half mask she has to wear while healing from a disfiguring car accident. It's also the perfect time to sit outside and draw what she sees. Like the boy and girl from the new family next door...zipping out of the window in a zeppelin and up to the stars. At first she thinks she's dreaming. But one night they catch her watching. Now Luna spends her nights on adventures with them, as they clean full moons, arrange constellations, and catch jars of stardust. She even gets to make a wish on a shooting star they catch. But Luna learns that no wish is strong enough to erase the past—as much as she may hope to.

But it's her talent for the theater that gives Cinnamon a chance...to truly escape. Iee...To her mother's dismay, she was a silent wallflower, not a social butterfly. Now, her secret gift -- her solid-gold singing voice -- may become her saving grace. Rose...When she danced, she could dream -- and when her father's secrets threatened to destroy her world, a most unlikely person gives Rose the courage to follow her heart. Honey...Raised on her strict grandfather's farm, her natural-born talent for the violin gave her a new life -- and love with a handsome soul mate. Will a shocking revelation shatter her newfound happiness?

Shooting at the Stars is the moving story of a young British soldier on the front lines during World War I who experiences an unforgettable Christmas Eve. In a letter home to his mother, he describes how, despite fierce fighting earlier from both sides, Allied and German soldiers ceased firing and came together on the battlefield to celebrate the holiday. They sang carols, exchanged gifts, and even lit Christmas trees. But as the holiday came to a close, they returned to their separate trenches to await orders for the war to begin again.John Hendrix wonderfully brings this story to life, interweaving fact and fiction along with his detailed illustrations and hand-lettered text. His story celebrates the humanity and kindness that can persist even during the darkest periods of our history. Back matter includes a glossary, additional information about World War I and the Christmas Truce and its aftermath, and an archival photograph taken during the Truce. Also available by John Hendrix: Miracle Man Praise for Shooting at the Stars STARRED REVIEWS "Few titles at this level convey the fullity of World War I as well as this one does. A first choice." --School Library Journal, starred review "Timed with the centenary of World War I but a lesson for always. Hendrix's tale pulls young readers close and shows the human side of war." --Kirkus Reviews, starred review

Shooting Stars is a novel about walking through our past traumas, moving from darkness to light, and the ways in which love – from lovers, friends, or the art we experience – heals us.

THE STORY: The time is Christmas week, 1962, the place a locker room in a rundown, small town gymnasium, where a touring women's basketball team, The Shooting Stars, is getting ready to face off against a local men's team. High-spirited and mostl

"We're all going to leave this world one day. I want to leave with an epic story." True to her words - resident bad-girl, Zoey Brightwell attracts the attention of newcomer, Zachary Gomer. Vowing to recreate himself to raise himself up on the social hierarchy - Zach is brought back down to Earth as he becomes infatuated with his enigmatic neighbor. Zoey helps Zach realize there is more to life than seeking acceptance, and that each person should be inspired by their own unique individuality. Despite constant warnings, Zach cannot help but be lured in by Zoey's enigmatic persona. Zach and Zoey find themselves on an emotional rollercoaster - not only a journey of romance, but a journey of self-discovery.
