~~Sideshow: Kissinger, Nixon, and the Destruction of ...~~

You will no longer look at Kissinger, Nixon or Westmoreland with the same candid, awe-filled, obedient eyes after reading it. Packed with previously unheard-of accounts, reports, testimonies, following a clean, highly intelligent argumentation methodology, Sideshow acts as a real bulldozer on the reader, repeatedly releasing and depicting loads ...

~~Sideshow : Kissinger, Nixon and the Destruction of ...~~

Sideshow: Nixon, Kissinger, and the Destruction of Cambodia is well documented and offers historical insight into the horrible events of the war in Vietnam/Cambodia/Laos. Some of the inane quotes from our (US) leaders during that time and other events sound similar to that of some of our current leaders (Bush et al), or like they were written for Saturday Night Live.

Nixon insisted that Kissinger secure the approval of both Rogers and the new Secretary of Defense, Melvin Laird. Evidently, he was not willing himself to present them with a scheme that deprived them of power. But another Kissinger aide, Roger Morris, has reported that he told Kissinger not to worry about Rogers-he would not object.

Here Shawcross shows how Nixon and Kissinger made use of political trickery and overhyped threats to keep the bombing going to an extent that was far more destructive than necessary. As a bonus, this book also documents the wire-tapping paranoia and unconstitutional shenanigans in the Nixon White House.

KISSINGER, NIXON, AND THE DESTRUCTION OF CAMBODIA. by William Shawcross ?

RELEASE DATE: April 1, 1979. In 1969, Richard Nixon ordered the secret bombing of Cambodia to destroy North Vietnamese sanctuaries in that formally neutral nation. Today, a decade later, Nixon is a President driven from office and Cambodia a country devastated by civil war and occupied by the Vietnamese army.

~~SIDESHOW | Kirkus Reviews~~

Initially upset when Nixon won the Republican nomination, the ambitious Kissinger soon changed his mind about Nixon and contacted a Nixon campaign aide, Richard Allen, to state he was willing to do anything to help Nixon win. After Nixon became president in January 1969, Kissinger was appointed as National Security Advisor.

Sideshow: Kissinger, Nixon, and the destruction of Cambodia 2002, Cooper Square Press, Distributed by National Book Network in English - Rev. ed. ; 1st Cooper Square Press ed.

~~Sideshow (1987 edition) | Open Library~~

If Sideshow is accurate — and given the exhaustive range of its research, there's no reason to suppose it's not — then that little touchstone I've been toting around all these years about Henry Kissinger being a war criminal is correct. Under the pretense of breaking up North Vietnamese supply lines, President Nixon authorized — and Henry Kissinger orchestrated — a massive secret bombing campaign of Cambodia, lying to Congress, the Pentagon, and the American people along the way.

by William Shaw-cross. Simon & Schuster. 464 pp. \$19.95. In 1979 William Shawcross attracted widespread praise for his book, Sideshow: Kissinger, Nixon, and the Destruction of Cambodia. Some reviewers, it is true, pointed out the author's careless use of facts, or argued against the book's conclusion that the disasters which befell Cambodia in the 1970's were caused in the main by the policies of Richard Nixon and Henry Kissinger.

Analyse van het beleid en de beleidsvorming van de Amerikaanse politiek ten aanzien van Cambodja in de periode 1966-1980.

Access Free Sideshow Kissinger Nixon And The Destruction Of Cambodia

In *Sideshow*, journalist Shawcross presents the first full-scale investigation of the secret and illegal war the United States fought with Cambodia from 1969 to 1973, paving the way for the Khmer Rouge massacres of the mid-70s.

A grunt's-eye view of the Vietnam War through hundreds of personal photos Marc Waszkiewicz served three tours (1967, 1968, 1969) as an artillery forward observer with the U.S. Marine Corps in Vietnam, where he took thousands of photos capturing the beauty, drudgery, hilarity, and horror of the war. *1,000-Yard Stare* collects the best of these in a book that presents an unvarnished grunt's-eye view of the Vietnam War. These are amazing, well-shot photos--most of them color, many of them truly arresting--of Marines in the field, in camp, on base, fighting, patrolling, writing, drinking, carrying on. Some have the feeling of candid snapshots while others are more composed (Waszkiewicz was, and is, an amateur photographer), with subjects ranging from a gunner calculating ranges with pencil and protractor and a chaplain conducting a battlefield mass to grunts smoking illicit substances while pretending to fish and images of barbed wire twisting in the jungle and watchtowers at twilight. Also included are photographs from Waszkiewicz's postwar decades of coming to terms with his experiences, such as a sequence of poignant photos from The Wall in Washington and his trip back to Vietnam. This is a visual memoir of the war.

Price of Power examines Henry Kissinger's influence on the development of the foreign policy of the United States during the presidency of Richard Nixon.

Chronicles the events leading to the fall of the last reigning monarch of the Peacock Thorne, detailing the excesses of his court, the rise of the Ayatollah, and his abdication and life as refugee

The controversial New York Times–bestselling biography of America's most infamous president written by a master of investigative political reporting. Anthony Summers's towering biography of Richard Nixon reveals a tormented figure whose criminal behavior did not begin with Watergate. Drawing on more than a thousand interviews and five years of research, Summers traces Nixon's entire career, revealing a man driven by addiction to power and intrigue. His subversion of democracy during Watergate was the culmination of years of cynical political manipulation. Evidence suggests the former president had problems with alcohol and prescription drugs, was mentally unstable, and was abusive to his wife, Pat. Summers discloses previously unrevealed facts about Nixon's role in the plots against Fidel Castro and Salvador Allende, his sabotage of the Vietnam peace talks in 1968, and his acceptance of funds from dubious sources. The Arrogance of Power shows how the actions of one tormented man influenced 50 years of American history, in ways still reverberating today. "Summers has done an enormous service. . . . The inescapable conclusion, well body-guarded by meticulous research and footnotes, is that in the Nixon era the United States was in essence a 'rogue state.' It had a ruthless, paranoid and unstable leader who did not hesitate to break the laws of his own country."—Christopher Hitchens, *The New York Times Book Review* "A superbly researched and documented account—the last word on this dark and devious man."—Paul Theroux

In a series of riveting interviews, America's senior statesman discusses the challenges of directing foreign policy during times of great global tension. As National Security Advisor to Richard Nixon, Henry Kissinger transformed America's approach to diplomacy with China, the USSR, Vietnam, and the Middle East, laying the foundations for geopolitics as we know them today. Nearly fifty years later, escalating tensions between the US, China, and Russia are threatening a swift return to the same diplomatic game of tug-of-war that Kissinger played so masterfully. Kissinger on Kissinger is a series of faithfully transcribed interviews conducted by the elder statesman's longtime associate, Winston Lord, which captures Kissinger's thoughts on the specific challenges that he faced during his tenure as NSA, his general advice on leadership and international relations, and stunning portraits of the larger-than-life world leaders of the era. The result is a frank and well-informed overview of US foreign policy in the first half of the 70s—essential reading for anyone hoping to understand tomorrow's global challenges.

Sheds new light on the Watergate scandal that forced the resignation of Richard Nixon and altered the history of American politics.
