Mad World is a highly entertaining oral history that celebrates the New Wave music phenomenon of the 1980s via new interviews with 35 of the most notable artists of the period. Each chapter begins with a discussion of their most popular song but leads to stories of their history and place in the scene, ultimately painting a vivid picture of this colorful, idiosyncratic time. Mixtape suggestions, fashion sidebars, and quotes from famous contemporary admirers help fill out the fun. Participants include members of Duran Duran, New Order, The Smiths, Tears for Fears, Adam Ant, Echo and the Bunnymen, Devo, ABC, Spandau Ballet, A Flock of Seagulls, Thompson Twins, and INXS.

Series of short stories. This collection consists of the typescripts in ten short stories written by Isabel Scott Rorick, which were then published as the book Mr. and Mrs. Cugat: The Record of a Happy Marriage. This novel was the basis of the radio program My Favorite Husband, which was later reworked into the television series I Love Lucy.

A New York Times Notable Book | Lambda Literary Award Winner | Long-listed for the PEN Open Book Award "Charles Blow is the James Baldwin of our age." – Washington Blade "[An] exquisite memoir . . . Delicately wrought and arresting." – New York Times Universally praised on its publication, Fire Shut Up in My Bones is a pioneering journalist's indelible coming-of-age tale. Charles M. Blow's mother was a fiercely driven woman with five sons, brass knuckles in her glove box, and a job plucking poultry at a factory near their segregated Louisiana town, where slavery's legacy felt close. When her philandering husband finally pushed her over the edge, she fired a pistol at his fleeing back, missing every shot, thanks to "love that blurred her vision and bent the barrel." Charles was the baby of the family, fiercely attached to his "do-right" mother. Until one day that divided his life into Before and After--the day an older cousin took advantage of the young boy. The story of how Charles escaped that world to become one of America's most innovative and respected public figures is a stirring, redemptive journey that works its way into the deepest chambers of the heart. "Stunning . . . Blow's words grab hold of you . . . [and] lead you to a place of healing." – Essence "The memoir of the year." – A. V. Club

"Bevy knows what's what, and she is the kind of woman you want in your corner. If you don't believe me . . . buy the book." –Whoopi Goldberg "Funny, wise, well-experienced, empathetic, colorful--Bevy brings the spirit of humanity wherever she goes." –Pharrell Williams From the host of the fabulous and popular show Bevelations on SiriusXM's Radio Andy channel, Bevy Smith's irreverent and inspiring memoir about learning to live a big, authentic, and unapologetic life--and how you can, too Bevy Smith was living what seemed like a glamorous dream as a fashion advertising executive, blazing a lucrative career for herself in the whitewashed magazine world. She jetssetted to Europe for fashion shows, dined and danced at every hot spot, and enjoyed a mighty roster of lovers. So it came as quite a shock to Bevy when one day, after arriving at her luxury hotel in Milan, she collapsed on the Frette bedsheets and sobbed. Years of rolling with the in-crowd had taken its toll. Her satisfaction with work and life had hit rock bottom. But Bevy could not be defeated, and within minutes (okay, days) she grabbed a notepad and started realizing a truer path--one built on self-reflection and, ultimately, clarity. She figured out how to redirect her life toward meaningful creativity and freedom. In her signature lively and infectious voice (there's no one like Bevy!), Bevelations candidly shares how she reclaimed her life's course and shows how we too can manifest our most bodacious dreams. From repossessing her bold childhood nature to becoming her own brand to envisioning her life's next great destination (which will feature natural hair, important charitable giving, and a midcentury house overlooking the Pacific Ocean), Bevy invites readers along on the route of her personal transformation to reveal how each of us can live our best lives with honesty, joy, and, when we're in the mood, a killer pair of shoes.

From the New York Times bestselling author, pro skater, satellite radio star and host of The Jason Ellis Show comes The Awesome Guide to Life, a hilarious follow-up full of no-holds-barred advice to help you get the most out of life. Drawing from his own experiences, Ellis offers the wisdom he's accumulated to help you handle any situation. Laugh-out-loud funny, told in the irreverent voice that draws legions of fans to his radio show, The Awesome Guide to Life teaches you how to create your signature look, how to star, how get laid, how to maintain a relationship, how to pick up a hooker--and more. But to maximize the opportunities that life has to offer you have to have confidence, Ellis argues--the confidence to define what you want, pursue your passion, and make your dreams a reality. In The Awesome Guide to Life Jason Ellis shows you how to develop the positive attitude you need to truly make things happen.

HY in the world do I have a belly button? And WHAT in the world does it do? WHEN in the world will my nose stop growing? And HOW in the world does my pee keep flowing? The human body is a fascinating piece of machinery. It's full of mystery, wonder and WOW. And it turns out, every single human on the planet has one! Join Mindy Thomas and Guy Raz, hosts of the mega-popular Wow in the World podcast, as they take you on a fact-filled adventure from your toes and your tongue to your brain and your lungs. Featuring hilarious illustrations and filled with facts, jokes, photos, quizzes and experiments, The How and Wow of the Human Body has everything you need to better understand your own walking, talking, barfing, breathing, pooping body of WOW!

This latest collection of essays by columnist and t1ak show host, Father Jim Lisante, provides lively discussion material for individuals and groups searching for a Catholic response to contemporary issues.

From the duo behind the massively successful and award-winning podcast Stuff You Should Know comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast Stuff You Should Know back in 2008 because they were curious--curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making Stuff You Should Know one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time--featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions--including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with Stuff You Should Know. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).

NEW YORK TIMES BESTSELLER Grammy Award-nominated, platinum-selling musician Halsey is heralded as one of the most compelling voices of her generation. In I Would Leave Me If I Could, she reveals never-before-seen poetry of longing, love, and the nuances of bipolar disorder. In this debut collection, Halsey bares her soul. Bringing the same artistry found in her lyrics, Halsey's poems delve into the highs and lows of doomed relationships, family ties, sexuality, and mental illness. More hand grenades than confessions, these autobiographical poems explore and dismantle conventional notions of what it means to be a feminist in search of power. Masterful as it is raw, passionate, and profound, I Would Leave Me If I Could signals the arrival of an essential voice. Book cover painting, American Woman, by the author.

The hidden brain is the voice in our ear when we make the most important decisions in our lives--but we're never aware of it. The hidden brain decides whom we fall in love with and whom we hate. It tells us to vote for the white candidate and convict the dark-skinned defendant, to hire the thin woman but pay her less than the man doing the same job. It can direct us to safety when disaster strikes and move us to extraordinary acts of altruism. But it can also be manipulated to turn an ordinary person into a suicide terrorist or a group of bystanders into a mob. In a series of compulsively readable narratives, Shankar Vedantam journeys through the latest discoveries in neuroscience, psychology, and behavioral science to uncover the darkest corner of our minds and its decisive impact on the choices we make as individuals and as a society. Filled with fascinating characters, dramatic storytelling, and cutting-edge science, this is an engrossing exploration of the secrets our brains keep from us--and how they are revealed.
