Certifications in project management are  
like birthdays: everybody has one. You  
need something more to distinguish  
yourself in this profession. This book is a  
practical guide for project and program  
managers who want to increase their skills

## Read Online Skills Shannon Wongs E Portfolio

by incorporating relevant theory, formulas, and tools from Master of Business Administration (MBA) curriculum. The book provides an overview of core classes taught in most MBA programs, but in a way that makes the material practical for project practitioners. Readers will learn new tools to improve critical decision making, formulas and techniques for making recommendations to leadership, and an assortment of theories for up leveling their project management skills.

Reading is Hard Work is a book for all families who are facing dyslexia or other reading learning disabilities. When our son Tim was in first grade we suspected he had a problem with reading. We were right. The book teaches children that they are not strange or weird. Rather, that God made all of us differently and reading for

# Read Online Skills Shannon Wongs E Portfolio

them is going to be hard work.

Learning how to work together is an important lesson for any child to know and understand. Many great things happen when kids cooperate and work together as a team. We can all agree that the sooner they learn this, the better. If your child is struggling with teamwork or if you want your child to understand the benefits of teamwork, this book will help! Lil Rex (a young dinosaur) and two of his friends decide to explore the woods and look for a secret cave, but soon get lost and must work together to get out of a potentially dangerous situation! This book teaches the consequences, good and bad, of working as a team in an exciting and fun way! Enjoy reading this to your child and teaching a valuable lesson at the same time!

'Developing Management Skills' teaches students the ten essential skills all managers should possess in order to be successful. These skills are grouped into personal skills, interpersonal skills and group skills, so students can see how certain skills are related to others.

Finally, here is a photography textbook authored in the 21st century for 21st century audiences. *Photography: A 21st Century Practice* speaks to the contemporary student who has come of age in the era of digital photography and social media, where every day we collectively take more than a billion photographs. How do aspiring photographers set themselves apart from the smartphone-toting masses? How can an emerging photographic artist push the medium to new ground? The answers provided here are innovative, inclusive,

# Read Online Skills Shannon Wongs E Portfolio

and boundary shattering, thanks to the authors' framework of the "4Cs": Craft, Composition, Content and Concept. Each is explored in depth, and packaged into a toolbox the photographic student can immediately put into practice. With a firm base in digital imaging, the authors also shed new light on chemical-based photographic processes and address the ways in which new technology is rapidly expanding photographic possibilities. In addition, *Photography: A 21st Century Practice* features:

- 12 case studies from professional practice, featuring established photographic artists and showcasing the techniques, concepts, modes of presentation, and other professional concerns that shape their work.
- Over 40 student assignments that transform theory into hands-on experience.
- 800 full-color images and 200 illustrations, including photographs by some of the

world ' s best-known and most exciting emerging photographic artists, and illustrations that make even complex processes and ideas simple to understand.

- More than 50 guided inquiries into the nature of photographic art to jump start critical thinking and group discussions.

Produced in cooperation with the National Association of School Nurses, this text includes comprehensive coverage of the multiple facets of school nursing—from the foundations of practice and the roles and functions of a school nurse through episodic and chronic illness and behavioral issues, to legal issues and leading and managing within school settings. Written and edited by school nurses and pediatric experts, it features real-world-tested, best practices based on evidence and experience. There ' s content here that you won ' t find in other books, such as

## Read Online Skills Shannon Wongs E Portfolio

Beach Read comes a sparkling new novel that will leave you with the warm, hazy afterglow usually reserved for the best vacations. Poppy and Alex. Alex and Poppy. They have nothing in common. She ' s a wild child; he wears khakis. She has insatiable wanderlust; he prefers to stay home with a book. And somehow, ever since a fateful car share home from college many years ago, they are the very best of friends. For most of the year they live far apart—she ' s in New York City, and he ' s in their small hometown—but every summer, for a decade, they have taken one glorious week of vacation together. Until two years ago, when they ruined everything. They haven't spoken since. Poppy has everything she should want, but she ' s stuck in a rut. When someone asks when she was last truly happy, she knows, without a doubt, it was on that ill-fated, final trip with Alex. And

## Read Online Skills Shannon Wongs E Portfolio

so, she decides to convince her best friend to take one more vacation together—lay everything on the table, make it all right. Miraculously, he agrees. Now she has a week to fix everything. If only she can get around the one big truth that has always stood quietly in the middle of their seemingly perfect relationship. What could possibly go wrong?

"A MUST READ" Forget 60/40. Forget High-Yield Savings Accounts. If you prioritize stability but still want growth, it's time for the Ultimate Liquidity Portfolio: the innovative all-weather portfolio detailed in "How To Stash That Cash." Thanks to a recent wave of innovation on Wall Street, this portfolio is now accessible to investors for just a few hundred dollars, and can replace traditional cash vehicles like High-Yield Savings, Money Market Accounts, and Treasury Bills.

From the New York Times bestselling author of *The Midnight Library*. The world is messing with our minds. What if there was something we could do about it? Looking at sleep, news, social media, addiction, work and play, Matt Haig invites us to feel calmer, happier and to question the habits of the digital age. This book might even change the way you
