It is now 35 years since Deep Purple first came together and today -- 14 musicians, 17 albums, and millions of record sales later -- the group remains a monster. Smoke on the Water is the first book in more than 20 years to tell the story of this remarkable band, from their grandiose inception in 1968 to the release of their latest album in 2003. Drawing from candid interviews with band members, associates, and fans alike, it traces the group through some of the most turbulent times that any band has survived, placing the band's own music in vivid context and illustrating just how profoundly this one group helped change the world.

Among the Ext draffees were Allgrave Burning, his techno-wizard cousin Lod, and beautiful, death-scarred Ghost. All three were destined to fight in a star-torn war like none other. For a mysterious, danger-shrouded planet beckoned them --- along with a disgraced starship captain and a powerful high priestess --- for the greatest battle of their lives.

An eerie mountain lake will bring them together in scintillating passion... or tear them apart. Literally. The most dangerous trail of his career... In the misty fog of a lakefront dotted with vacation cabins, zombies are roaming wild - and CIA operative turned zombie hunter, John Petit, must stop the carnage. He's paired with a fresh-faced recruit brought to the team more for her immunity to the zombie contagion than any particular skill. She never asked for any of this... Donna was attacked and lived to tell the tale. One of the rare few who are naturally immune, she's part of the top secret team trying to stop the spread of this alarming technology. She doesn't want to let her partner down - especially in light of the fact that the more they're together, the more she's attracted to him. A passion they cannot deny... Facing danger together only adds fuel to the fire of need between them. Their chemistry is explosive, but will it fizzle in the harsh light of day? Or, can it last past the heat of the moment, once they've neutralized the deadly threat that endangers all humanity? Praise for Bianca D'Arc "Zombies and spies, oh my!" - GoodReads reviewer on The Beast Within "I love that John can be alpha, but still understand Donna and try to accommodate her. He even admits being wrong!" "swoon" - GoodReads reviewer on The Beast Within "Definitely love my experience with this lady's books will definitely be reading more..." - Late Night Sexy Book Reviews on Smoke on the Water in The Beast Within anthology Read the complete Guardians of the Dark series: 1. Simon Says 2. Once Bitten 3. Smoke on the Water 4. Night Shade 5. Shadow Play

Allgrave Burning, His cousin Lod, and the ethereal Ghost must join forces as they are sent on a dangerous mission to the strange dark world of Periapt to fight against the sinister Roke. Original.

Reunited after four hundred years, three sisters join together to vanquish the power that tore them apart...and embrace the sorcery that is their birthright. Abandoned as an infant, Willow Black spent her childhood in foster care, the object of whispers and pity...and rumors about being certifiably crazy. Telling your young friends that you can foresee the future-and summon the rain-is a surefire way to end up in the psychiatric ward. But when Dr. Sebastian Frasier arrives at the facility, Willow's whole life takes a turn. Sebastian is the handsomest man she's ever actually laid eyes on-even though he has been in Willow's visions for years. But not even she could have predicted the storm of passion that engulfs them both. With Sebastian by her side, Willow is emboldened to embrace her history, and the sisters she never knew. Soon, the true power in her blood awakes-and the battle she was born to fight begins. While the tempest rages, Willow must depend on the friends and family she's found-and the man she has loved forever... In Smoke on the Water, the final book of this enchanting new trilogy, New York Times bestselling author Lori Handeland sweeps readers into a bewitching tale of secrets, sisterhood, and the stunning magic of love.

Provides quizzes testing a reader's knowledge of rock, country, rhythm and blues, and popular music.

Details of every UK release on the Purple Records label from 1971 to 1978 with full colour, high quality photography throughout of labels, sleeves and inserts along with detailed analysis and identification of the crucial 1st pressing details of every album and single. Essential reading for collectors of Purple Records. Following in the footsteps of Frank Zappa, The Beatles and The Rolling Stones, Deep Purple's entrepreneurial management team founded the band's own 'vanity' record label in 1971. The brainchild of Tony Edwards and John Coletta, and, along with additional Purple companies, served to control virtually every business and financial aspect of Deep Purple's musical output, including management, promotion, publishing and of course recording. The label signed a diverse range of additional artists with an eclectic mix of styles, some of which would seem to be incongruous with Deep Purple's own 'hard rock' genre. The most comprehensively detailed book on the Purple Records label.

Rock & Roll! It burst upon the scene in the 1950s, turned political in the 1960s, self-indulgent in the 1970s, philanthropic in the 1980s, and historical by the 1990s. It's the soundtrack to the post-WWII American experience. Each generation has it's own anthems, superstars, styles and sounds. And they're all here in this rockin' new tome from Black Mesa Publishing—Rock & Roll Music IQ: The Ultimate Test of True Fandom. With 200 questions and 800 possible answers it has everything from greasers to grungers and vinyl to video. You are invited to take the challenge! Test your Rock & Roll IQ! See if you if you can "make the charts," "achieve a gold record," or maybe even earn "an induction into the Rock & Roll Hall of Fame" as you enjoy this ultimate test of true Rock & Roll fandom!
