Poll, the SOSTAC(r) Planning System is used by both blue chips and start-ups because of its crystal clear simple, logical structure. SOSTAC(r) delivers a reassuring sense of order, as it reduces the chaos of information overload and structures a plan into a focussed set of tactics and actions driven by a carefully structured strategy, built from focused analysis and crystal clear objectives. Many organisations use it also to pitch for business, since it gives a reassuring sense of order to what might have been an unnecessarily complex proposition. That's why professionals use it all over the world. Here's what some say: "Essential reading and an invaluable reference guide" Institute of Direct and Digital Marketing "A really good easy-to-follow guide" Ged Carroll, Digital Director VP Europe, RacePoint Global "Highly acclaimed planning system - even for experienced digital marketers" David Green, Head of Global Digital Marketing, KPMG "Although most businesses are now doing digital marketing, nearly half don't have a plan - that's shocking! CIM's E-marketing award, the book offers a highly structured and accessible guide to a critical subject, providing a useful reference point for all students and managers involved in marketing strategy and implementation. A practical guide to creating and executing e-marketing plans, this book combines established approaches to marketing planning with the creative use of new e-models and e-tools. It is designed to support both marketers who are integrating e-marketing into their existing marketing and communications strategies and experienced e-marketers looking to optimise their e-marketing. The book shows how to:

- Draw up an outline e-marketing plan
- Evaluate and apply e-marketing principles & models
- Integrate online and offline communications
- Implement customer-driven e-marketing
- Reduce costly trial and error
- Measure and enhance your e-marketing
- Drive your e-business forward

As the core text for the CIM's new professional E-marketing Award, it provides comprehensive, critical coverage of the key areas of e-marketing planning for marketing professionals. Established marketing concepts such as customer relationship management, the marketing mix and the widely adopted SOSTAC® planning system, are re-examined in the new media context - and new approaches are defined, including business models, traffic building and web site design.

"The authors have the uncommon knack of taking the complex and explaining it in a clear, compelling way. I recommend it if you want to learn the principles of strategic communications and get structured suggestions to create better campaigns." Dave Chaffey, Co-founder and Content Director, Smart Insights This book has the strongest focus of online and offline integration of any marketing communications textbook. A blended approach to marketing is in its DNA. Compared to the competition that too often uses a bolt-on approach to integration, this book is essential for giving students the precise skills employers will look for - to be able to implement genuinely integrated marketing campaigns. This new, seventh

edition combines professional and academic expertise to ground big picture theory into real-world case studies, drawing from cutting-edge global companies like Snapchat and Spotify, that will teach students the why behind the how. With increased focus on social media and the latest digital technologies, this new edition will teach students: - How AI, the Internet of Things, Big Data, AR/VR and marketing automation can be used successfully in campaigns - The opportunity and risks of social media - How to navigate ethical and data management challenges - How to use the current preferred digital marketing tools and technology Covering the key themes of customer engagement, experience and journey, this book will allow students to become truly confident working in an environment of ongoing technological transformation.

Marketing Communications has been listed as a "classic" by the Marketing Society. Paul Smith's and Ze Zook's understanding of marketing communications is widely acclaimed and has proved popular with students and practitioners alike. Marketing Communications explores: -social media and websites -advertising -PR -sponsorship -direct selling The fifth edition has been significantly updated to include the many new forms of communication now available for marketing professionals. Heralding the emergence of social media as a "marketing revolution," the book presents the many varied forms of communication this offers and the opportunities for marketing that more effectively engages with its end-user. With numerous examples and case studies as well as online support material for instructors and students, this textbook will guide the user through the changing face of marketing communications.
