The Seattle Sounders were born in 2009. And they wasted no time becoming perhaps the greatest franchise in Major League Soccer. They have certainly been the most popular. The love from their fans has resulted in the largest attendance in each of their first eight seasons. Soccer is a passion in Seattle! That passion was rewarded in 2016. That is when the Sounders captured their first MLS crown. This book takes readers into the action. It places them on the field for a Fredy Montero goal and Kasey Keller save. It brings them closer to the 40,000 fans that stream into CenturyLink Field for every home game. It allows them to feel the excitement of a Seattle playoff victory. Just as the Sounders have been a winner every season, the reader can be a winner by learning all about one of the finest sports franchises ever.
