Pets and the Afterlife 2 was written to help grieving pet parents understand how pets in the afterlife share signs from the afterlife. The author is a medium, paranormal investigator, pet parent and a scientist. He explains the science of energy, what happens when pets pass, and the intelligence of pets. Learn the difference between a ghost and spirit, and the types of signs our pets can give us from the other side. Read amazing messages that the author received and fantastic personal experiences shared by others to help the reader better understand the many ways spirit pets can communicate.
