The Workbook provides extra language and vocabulary practice that supports the units of the Student's Book making it ideal for homework. This version comes without the key.

Ideal for teachers looking for an easy-to-use adult general English course, Straightforward, is flexible and simple to use, based around 12 topics per level. It always takes the most suitable methodological approach to what is being taught, resulting in the perfect balance of skills and language work. Extra section including functional language, writing skills, grammar notes and word lists round off the Students Book. Key Features: Simple enough for new teachers to use; flexible enough for the

For ease of use and practicality Straightforward Second Edition is structured to provide one lesson per double-page spread (A/B/C/D), lasting around 90 minutes. All lessons are interlinked to promote better and more memorable learning, but there is the flexibility to pick out certain key sections to focus on certain language points.
