apply what they learn in health class toward practicing good health behavior in the real world. Hands-on features are integrated with technology, assessment, and up-to-date health content. Features Hands-on activities-based program focuses on health skills, avoiding risk behaviors, and promoting health literacy. Academic integration throughout the program includes research-based reading and writing strategies in every lesson, as well as Real-World Connections emphasizing math concepts and activities, and Standardized Test Practice focusing on Math and Reading/Writing. Fitness is emphasized through the program with the Fitness Zone. The Fitness Zone includes tips in the Student Edition for incorporating fitness into everyday life, activities in the Teacher Edition, a special section of the Online Learning Center, and a heart-rate activity workbook with CD-ROM. The latest technology includes videos, podcasts, activities for handheld devices, the online student edition, PowerPoint DVD, StudentWorks Plus, and TeacherWorks Plus. Includes: Print Student Edition

Correlated to the national health education standards, this is the program you can trust! Glencoe Health is a research-based program that will give your students the skills they need to stand up to peer pressure, avoid risky behaviors, and develop the resilience they need to handle the changes they'll face during their school years...and throughout their lives.

The Student Edition is well designed and clearly organized. Each chapter opener contains: Objectives: Highlights what students are to look for when they read. Chapter Preview: Provides students with an overview of what they will be reading about in a list format. Vocabulary: Words are emphasized in color throughout the text. One of the most exciting and unique features of Personal Fitness: Looking Good / Feeling Good 5th Edition is that students are assisted in establishing a personal fitness program step by step, chapter by chapter, that is especially for them.

Saraswati Health and Physical Education is a much acclaimed and popular series in Health and Physical Education. The series demonstrates a deep understanding of the principles and concepts

related to the subject while providing students with all the pedagogical tools necessary for comprehension and application. The fully revised edition, which includes all the latest developments in the field, in its colourful avatar will not only enhance the teaching-learning process but will also make it more enjoyable.

## Student Workbook

What are health and wellness? What does it mean to be healthy? Maybe you have some ideas about the answers to these questions, or maybe these questions are new altogether. Either way, Comprehensive Health can help you navigate the path to a healthy life. Up-to-date, accessible, and exciting, Comprehensive Health is a new high school textbook program that addresses the adolescent health and wellness issues most important to today's students. The text will help you answer your health questions, including questions related to human sexuality, nutrition, fitness, mental health, and avoiding hazardous substances. Comprehensive Health provides current, reliable content supported by classroom-tested activities to help you develop the health and wellness skills you need to lead a healthy life.
