ATVs have been around since the 1950's but didn't become available to the public at large until the 70's! The ATV vehicles available today are quite a bit different than the early models. The influx of ATV riders and safety concerns have also brought about new laws to go along with them. If your thinking about getting your first ATV, you're going to want to learn a few things about them before taking the plunge. You'll also need to decide if you want a Sport or Utility type of ATV. Do you know what differences are between the two?

Excerpt from The Coronation Souvenir: June 1911 A few years ago an internal-combustion motor tractor was a scarcity. To - day a trip through Western Canada brings hundreds of them into view, every one of them making money for the owners. No machine introduced to the Canadian farmer has ever met the instant popularity which has come to the gasoline tractor. This popularity is rightly deserved. For no one machine has done more to make possible the great wheat crops which have given Western Canada the name, The Breadbasket of the World.
