Chapter 1

The dragonkin have returned, devouring the essences of those able to tame the Elements. Now Elwin must learn to survive in exile. As he searches for ways to use his innate powers without being destroyed by the dragons, Zarah and Feffer seek out secrets long hidden by the ancient magi. But the magi guard their secrets dearly, and have stepped from the shadows, using their Words of Power to wage war against the elementalists. With enemies everywhere, Elwin still must learn to master the Elements and save the people most dear to him.

A young man, Elwin, seeks to become an elementalist. But with war looming and an accident that could cost him his freedom, Elwin finds himself fleeing for his life and evading the Guardians of Life. The Guardians think Elwin guilty of the most grievous of crimes, and as he trains the gifts of his bloodline, he will discover a secret from long in his past.

Daniel Benhannon has finished building his cabin near the peak of Mount Tannakonna and is ready to leave home and invite Val Terrance to be his wife. But the simple life he hopes for is changed forever when he inadvertently casts a spell so powerful it draws the attention of the Grand Maestro of Aakadon and the dark Maestro Tarin Conn. The two powerful foes sense a change in the balance of power and both of them intend for it to be in their favor. Daniel wants nothing to do with either faction but must learn to master his newly discovered potential before the forces sent looking for him destroy his family and friends and every person living in the remote village of Bashierwood. But to master his potential he must learn from an Accomplished. To save the village he must accept help from Talented's sent by Efferin Tames, or surrender to Tarin Conn. To seize control of his life he must set his priorities and arrange his chores accordingly.

Daniel and Freya, along with an ancient knight and a Scottish police officer, must return to the underground city of Nidergard in order to rally the citizens and stop the murder of sleeping knights.

The evil emperor Vosper gathers his troops in the east, poised to conquer the entire continent. His target is the rebel city of Parthos, a constant thorn in his side, and the last sanctuary of the Dragon Riders. Besieged from all sides, the remaining Dragon Riders come out of hiding. Forced to fight for their lives, they leave the safety of the desert, traveling across the land to gather intelligence and shore up forgotten alliances. At the center of it all is Elias Dorgumir, the key to an ancient prophesy, and Vosper will do anything to get his hands on him. Is it too late for the Dragon Riders to save Elias and stop Vosper from destroying the only refuge they have left?

"Continues Jake's quest to return home. Dominic and Jonas lead Hailyn, Marcus and Keria out of the demons' stronghold, carrying Jake, who collapsed after his dramatic display of power. Jonas is stymied on how to heal Jake, but help arrives when Tomaris unexpectedly shows up in Sanduas. Tomaris informs them that he believes that he has found a way to return Jake to his world -- with the Guardian's sword, an object of great power."--Page [four] of cover.

After a long journey, Jax finds himself abandoned far from home in the desert nation of Kalicodon. When any infraction to tribal honor will land him in chains as a slave, he must learn quickly to adapt in a foreign land in hopes of maintaining his freedom. In his struggles to liberate Daren from slavery, he meets Jesnia, a woman from his homeland, who has hunted fugitives from justice to the eastern edge of the desert. Without his own cunning and her talents, Jax may very well meet his end, fighting for his life in the arena.

Chapter 2

Chapter 3

A Reaper's Creed. An Oath to keep. A Soul to save. Just as Xavier began his training as a Reaper Knight, he was flung off a cliff by an assassin sent to kill the Princess of Death, and vanished into the ocean. But Xavier's NecroSeam somehow stitched itself to another living vessel, connecting his soul to someone who shared half his necromantic ability... His twin brother. The co-existing brothers secretly embark on a mission up to the sun-kissed Land Realm in search of Xavier's missing body, only to discover this surface realm is on the brink of war. Before they can be normal again, the twin Reapers must battle colossal dragons and legions of soul-eating creatures controlled by an ancient demon queen. As Death Knights-in-training, they took an oath... and now there's more than one soul to save.
