I just love the story behind this lotus vagina tattoo. It seems that this lady made a mistake of having the text "eat me" inked on her private parts and she was complaining it was ruining her sex life and caused her embarrassing moments with her ob-gyn. Anyways, some tattoo fixers helped her change her stupid mistake to something lovely as her flower.

There are no secrets in Saintstone. From the second you're born, every achievement, every failing, every significant moment are all immortalized on your skin. There are honorable marks that let people know you're trustworthy. And shameful tattoos that announce you as a traitor. After her father dies, Leora finds solace in the fact that his skin tells a wonderful story. That is, until she glimpses a mark on the back of his neck . . . the symbol of the worst crime a person can commit in Saintstone. Leora knows it has to be a mistake, but before she can do anything about it, the horrifying secret gets out, jeopardizing her father's legacy . . . and Leora's life. In her startlingly prescient debut, Alice Broadway shines a light on the dangerous lengths we go to make our world feel orderly--even when the truth refuses to stay within the lines. This rich, lyrical fantasy with echoes of Orwell is unlike anything you've ever read, a tale guaranteed to get under your skin . . .

Uses more than one thousand illustrations to showcase the work of 125 of the most important legendary and pioneering tattoo artists, collecting designs from around the world in a broad range of styles.

NK taught Leora that all was not what it seems on the surface. SPARK taught her that there are two sides to every story. Now Leora has had enough of lessons - she wants to make her own story. The explosive finale to the best-selling INK trilogy sees Leora struggling to reconcile her past and her future - and recognising that there may be no easy answers.

Alice Broadway returns with the stunning sequel to her international bestseller Ink!

In a world where humanity bear wings and racial tension divides a city, things are... Complicated. Daneel just wants her family safe but was never meant to be the one protecting them; Jedekiah is busy trying to burn out the voices in his head while his home is falling apart; and North isn't even sure what's happening, but he's pretty certain it won't end in diplomacy. But after an unfortunate "accident" throws these three unlikely - and unwilling - allies out of their comfort zones and into each others' worlds, they are going to have to learn very quickly the meaning of teamwork and cooperation, to ensure their survival through the city's notorious Disciplines, a (usually) optional gladiatorial tournament. Victory will involve breaking boundaries, breaking bones, and occasionally breaking North's glasses - but the stakes might be higher than any of them realise. It's more than just their wings that they're fighting for.

In 1970, Sara Ehrenreich boards a small plane and returns to New York City with much fanfare; she will be featured in Life magazine. She has not left Ta'unuu—the South Seas island upon which she and her husband, Philip, were marooned during a storm—in more than thirty years. Sara doesn't know that man has landed on the moon. She has never seen a ballpoint pen. Her body is covered, head to toe, in tattoos. Flashback: it's 1918 and Sara, a shop girl and aspiring artist, meets Philip, a wealthy member of the avant-garde elite. The two fall in love, marry, and collaborate to make art, surrounded by socialites and revolutionaries—until the Depression cripples not just Sara and Philip, but most of their patrons. When Philip is offered a job gathering masks from the South Seas, they jump at a chance to escape America's sorrows, traveling to Ta'unuu for what they think will be a week's stay. The rest is history—a history Sara records on her skin through the traditional tattoos that become her masterpiece and provide an accounting of her days. Narrated in vivid and starkly moving prose, *The Tattoo Artist* reminds us of the unforeseeable forces that shape each human life.
