Make workplace conflict resolution a game that EVERYBODY wins!

Recent studies show that typical managers devote more than a quarter of their time to resolving coworker disputes. The Big Book of Conflict-Resolution Games offers a wealth of activities and exercises for groups of any size that let you manage your business (instead of managing personalities). Part of the acclaimed, bestselling Big Books series, this guide offers step-by-step directions and customizable tools that empower you to heal rifts arising from ineffective communication, cultural/personality clashes, and other specific problem areas/before they affect your organization's bottom line. Let The Big Book of Conflict-Resolution Games help you to: Build trust Foster morale Improve processes Overcome diversity issues And more Dozens of physical and verbal activities help create a safe environment for teams to explore several common forms of conflict and their resolution. Inexpensive, easy-to-implement, and proved effective at Fortune 500 corporations and mom-and-pop businesses alike, the exercises in The Big Book of Conflict-Resolution Games delivers everything you need to make your workplace more efficient, effective, and engaged.

In The Five Dysfunctions of a Team Patrick Lencioni once again offers a leadership fable that is as enthralling and instructive as his first two best-selling books, The Five Temptations of a CEO and The Four Obsessions of an Extraordinary Executive. This time, he turns his keen intellect and storytelling power to the fascinating, complex world of teams. Kathryn Petersen, Decision Tech's CEO, faces the ultimate leadership crisis: Uniting a team in such disarray that it threatens to bring down the entire company. Will she succeed? Will she be fired? Will the company fail? Lencioni's utterly gripping tale serves as a timeless reminder that leadership requires as much courage as it does insight. Throughout the story, Lencioni reveals the five dysfunctions which go to the very heart of why teams even the best ones-often struggle. He outlines a powerful model and actionable steps that can be used to overcome these common hurdles and build a cohesive, effective team. Just as with his other books, Lencioni has written a compelling fable with a powerful yet deceptively simple message for all those who strive to be exceptional team leaders.

While some of us enjoy a lively debate with colleagues and others prefer to suppress our feelings over disagreements, we all struggle with conflict at work. Every day we navigate an office full of competing interests, clashing personalities, limited time and resources, and fragile egos. Sure, we share the same overarching goals as our colleagues, but we don't always agree on how to achieve them. We work differently. We rub each other the wrong way. We jockey for position. How can you deal with conflict at work in a way that is both professional and productive?where it improves both your work and your relationships? You start by understanding whether you generally seek or avoid conflict, identifying the most frequent reasons for disagreement, and knowing what approaches work for what scenarios. Then, if you decide to address a particular conflict, you use that information to plan and conduct a productive conversation. The HBR Guide to Dealing with Conflict will give you the advice you need to: Understand the most common sources of conflict Explore your options for addressing a disagreement Recognize whether you and your counterpart typically seek or avoid conflict Prepare for and engage in a difficult conversation Manage your and your counterpart's emotions Develop a resolution together Know when to walk away Arm yourself with the advice you need to succeed on the job, with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

Here is a completely updated edition of the best-selling Resolving Conflicts at Work. This definitive and comprehensive work provides a handy guide for resolving conflicts, miscommunications, and misunderstandings at work and outlines the authors' eight strategies that show how the inevitable disputes and divisions in the workplace actually provide an opportunity for greater creativity, productivity, enhanced morale, and personal growth. This new edition includes current case studies that put the focus on leadership, management, and how organizations can design systems to change a culture of avoidance into a culture of creative conflict. The result is a more practical book for today's companies and the people who work in them.

Build a high energy workplace that accelerates performance, generates more profits, increases sales and provides outstanding customer service. Fired Up! is packed with ideas, tips and practical information to help you become a better leader and create an exceptional place to work that attracts, retains and motivates your workforce.

Conflict in the workplace is a perennial problem for organizations. Whether it's a disagreement between colleagues, a dispute with management or large-scale industrial action, conflict negatively affects both people and profits as employee morale and productivity fall. Managing Conflict is an essential guide for HR professionals needing to tackle these problems by not only resolving current issues but also preventing future instances of conflict. Going beyond interpersonal conflict, the book also looks at resolving board room disputes, disputes with shareholders, in the supply chain, commercial disputes and customer complaints. The first part of Managing Conflict covers the causes and costs of conflict, the impact of the psychological contract and the legal framework for managing workplace disputes both in the UK and internationally. The second part of the book provides a blueprint for redefining resolution and building a culture of constructive conflict management, from designing a conflict management strategy and developing a formal resolution process to embedding mediation, engaging stakeholders and training managers in resolution skills. It also includes conflict resolution toolkits for managers, HR teams, employees and unions to help tackle conflict and bullying at work. Packed with best practice case studies from major UK and global organizations, this is an indispensable guide for all HR professionals looking to resolve conflict in the workplace.

The classic text on resolving workplace conflicts, fully revised and updated Resolving Conflicts at Work is a guide for preventing and resolving conflicts, miscommunications, and misunderstandings at work, including dozens of techniques for revealing how the inevitable disputes and divisions in the workplace are actually opportunities for greater creativity, productivity, enhanced morale, and personal growth. In the third edition of this text, all chapters are completely infused with additional content, updated examples, and new case studies. Like its predecessors, it identifies core strategies for preventing and resolving both intermittent and chronic conflicts in the workplace. In addition, the book includes a new foreword by Warren Bennis, which represents his most recent thinking about judgment calls and candid communications in the workplace Presents new chapters on leadership and transformational conflict coaching, and organizational systems design This definitive and comprehensive work provides a handy guide for managers, employees, union representatives, human resource experts, and consultants seeking to maintain stable and productive workplaces.

New ways of managing conflict are increasingly important features of work and employment in organizations. In the book the world's leading scholars in the field examine a range of innovative alternative dispute resolution (ADR) practices, drawing on international research and scholarship and covering both case studies of major exemplars and developments in countries in different parts of the global economy. This Handbook gives a comprehensive overview of thisgrowing field, which has seen an explosion of programmes of study in university business and law schools and in executive education programmes.

The art of negotiation:from one of the country's most eminent practitioners and the Chair of the Harvard Law School's Program on Negotiation. One of the country's most eminent practitioners of the art and science of negotiation offers practical advice for the most challenging conflicts:when you are facing an adversary you don't trust, who may harm you, or who you may even feel is evil. This lively, informative, emotionally compelling book identifies the tools one needs to make wise decisions about life's most challenging conflicts.

Problems that "just won't go away" can be settled through methods developed by one of America's leading experts in conflict resolution. In clear language, Weeks shows readers how to turn conflict into lasting partnerships and ensure a fruitful outcome.
