Life's But a Game! Go With the Flow! Who am I? Where am I from? Why am I here? Who is God? Does God exist? Where do I find God? What happens when I die? These are the questions being asked by today's teenagers and young adults. And more so now than ever before! We are living in troubled times, troubles not of our teenagers' making. We need to empower our young people with the truth about life, about God and about how this world of ours can be fixed, how the damage already done can be undone. As long-held institutions and beliefs tumble down around us, we need to explain to our young people that life is a game; a game of fun and not to be taken too seriously. We need to explain the rules of the game to our young people, the Spiritual Laws of the Universe, adherence to which promises a life of peace, fulfilment and abundance. Young people are our future, the future rulers of our Planet Earth. It is non-negotiable that they be given the truth! Truth is power! Knowledge is power! This book provides the answers to the questions our young people are constantly asking. This book explains how life is meant to be enjoyed, not lived in a constant pursuit of getting, getting, getting; going, going, going; doing, doing, doing. We are all meant to just be. Armed with the truth and with Spiritual knowledge, our young people can go forth to fulfil their destiny; to return our world to being a world of love, sharing, peace and Oneness with All That Is.
