The Four Year Olympian - Book Review - A Rowing Story With ...

An Olympiad is a period of four years associated with the Olympic Games of the Ancient Greeks. Although the Ancient Olympic Games were established during Archaic Greece, it was not until the Hellenistic period, beginning with Ephorus, that the Olympiad was used as a calendar epoch. Converting to the modern BC/AD dating system, the first Olympiad began in the summer of 776 BC and lasted until the summer of 772 BC, when the second Olympiad would begin with the commencement of the next games. Thus,

---

Olympiad - Wikipedia

The Olympic Games were part of the Panhellenic Games, four separate games held at two- or four-year intervals, but arranged so that there was at least one set of games every year. The Olympic Games were more important and more prestigious than the Pythian , Nemean , and Isthmian Games .

The 4 Year Olympian is a story of courage, perseverance, and overcoming self-doubt, told from the perspective of an unlikely competitor.

The Unlikeliest Olympian By: Stephen Porpora In 1982, six-year-old Devon Porpora suffered a severe, life threatening seizure. His future was bleak. Because no one knew if the initial seizure was injury-induced, he needed to be on heavy doses of long-term and debilitating neurological drugs. His parents were told that Devon would need to re-learn everything in a special school and that he might never have a normal life. But Devon's remarkable mom, Judi, refused to accept that dark diagnosis for her son. She saw a sliver of hope and made it her mission to focus her life around healing his injured brain. Together, his parents worked with Devon to keep him learning and in his normal elementary school. In addition to classwork, in eighth grade Devon joined an obscure little crew club. His dad worked diligently for two years to transform it into a vibrant varsity rowing team. Devon became an accomplished student and athlete. In his senior year of high school he was admitted to Yale University and also qualified for the 1994 Olympic Festival rowing team. This is Devon's unlikely story as told by his father.

Percy Jackson isn't expecting freshman orientation to be any fun. But when a mysterious mortal acquaintance appears on campus, followed by demon cheerleaders, things quickly move from bad to diabolical. In this latest installment of the blockbuster series, time is running out as war between the Olympians and the evil Titan lord Kronos draws near.

In California, a team of talented young men begin pursuing the most elusive dream in sports, the Olympic Games. The pressure steadily increases as two best friends (a mentor and his protégé) reach the top of the world rankings and unexpectedly find themselves direct competitors. Their teammates include an emerging star methodically plotting to retrace his father's path to Olympic glory, as well as a super-extraordinary athlete desperate to walk away from it all. Led by one of the most passionate coaches in sports, a brilliant and explosive strategist on a personal quest for redemption, this team of dark horses and Olympic favorites works through escalating rivalries, joyous triumphs, and heartbreaking setbacks. Author P. H. Mullen chronicles their journey to the 2000 Olympic Games and presents one of the most

powerful and moving sports books ever written. Boldly sweeping in literary power and pace, this startling book will permanently change how you view the Olympic athlete. It is a fascinating world of suspense and emotion where human desire for excellence rules over all, and where there are no second chances for glory. But above all, *Gold in the Water* is a triumph of the human spirit.

Olympic athlete, actress, filmmaker, and writer Pappas shares what she's learned about confidence, self-reliance, mental health, embracing pain, and achieving her dreams in this revealing and inspiring memoir-in-essays.

The New York Times bestselling inspirational story of impoverished children who transformed themselves into world-class swimmers. In 1937, a schoolteacher on the island of Maui challenged a group of poverty-stricken sugar plantation kids to swim upstream against the current of their circumstance. The goal? To become Olympians. They faced seemingly insurmountable obstacles. The children were Japanese-American and were malnourished and barefoot. They had no pool; they trained in the filthy irrigation ditches that snaked down from the mountains into the sugarcane fields. Their future was in those same fields, working alongside their parents in virtual slavery, known not by their names but by numbered tags that hung around their necks. Their teacher, Soichi Sakamoto, was an ordinary man whose swimming ability didn't extend much beyond treading water. In spite of everything, including the virulent anti-Japanese sentiment of the late 1930s, in their first year the children outraced Olympic athletes twice their size; in their second year, they were national and international champs, shattering American and world records and making headlines from L.A. to Nazi Germany. In their third year, they'd be declared the greatest swimmers in the world. But they'd also face their greatest obstacle: the dawning of a world war and the cancellation of the Games. Still, on the battlefield, they'd become the 20th century's most celebrated heroes, and in 1948, they'd have one last chance for Olympic glory. They were the Three-Year Swim Club. This is their story. \*Includes Reading Group Guide\*

Percy Jackson is a good kid, but he can't seem to focus on his schoolwork or control his temper. And lately, being away at boarding school is only getting worse-Percy could have sworn his pre-algebra teacher turned into a monster and tried to kill him.

The #1 New York Times-bestselling story about American Olympic triumph in Nazi Germany, now in a premium mass market edition. Available just in time for The 80th anniversary of the boys' gold medal win as well as the 8/2 broadcast of the PBS /American Experience documentary, *The Boys of '36*. and the start of the 2016 Summer Olympics. For readers of *Unbroken*, out of the depths of the Depression comes an irresistible story about beating the odds and finding hope in the most desperate of times--the improbable, intimate account of how nine working-class boys from the American West showed the world at the 1936 Olympics in Berlin what true grit really meant. It was an unlikely quest from the start. With a team composed of the sons of loggers, shipyard workers, and farmers, the University of Washington's eight-oar crew team was never expected to defeat the elite teams of the East Coast and Great Britain, yet they did, going on to shock the world by defeating the German team rowing for Adolf Hitler. The emotional heart of the tale lies with Joe Rantz, a teenager without family or prospects, who rows not only to regain his shattered self-regard but also to find a real place for himself in the world. Drawing on the boys' own journals and vivid memories of a once-in-a-lifetime shared dream, Brown has created an unforgettable portrait of an era, a celebration of a remarkable achievement, and a chronicle of one extraordinary young man's personal quest.
