The Barrowfields is a richly textured, deeply transporting novel that traces the fates and ambitions of a father and son across the decades, centered in the small Appalachian town that simultaneously defines them and drives them both away. Just before Henry Aster’s birth, his father–outsized literary ambition and pregnant wife in tow–reluctantly returns to the remote North Carolina town in which he was raised and installs his young family in an immense house of iron and glass perched ...

THE BARROWFIELDS

"Beautifully written and deeply moving, THE BARROWFIELDS is a novel that centers on a man conflicted between his love of family and his devotion to literature. Phillip Lewis is a very talented writer, and his debut deserves a wide and appreciative readership." –Ron Rash, New York Times bestselling author of SERENA and ABOVE THE WATERFALL

The Barrowfields: A Novel: Lewis, Phillip: 9780451495648 ---

The Barrowfields by Phillip Lewis is a highly recommended brooding, Southern Gothic coming-of-age debut novel. Henry Aster's father, also named Henry, left Old Buckram, North Carolina, a small Appalachian town, to attend college and never planned to return.

The Barrowfields: A Novel by Phillip Lewis, Paperback ---

The barrowfields are barren fields in Old Buckram, North Carolina. Some people believe the fields are haunted. Old Buckram is where the Aster family has lived for generations. This book is narrated by Henry Aster Jr. His father Henry Sr. was an aspiring author who became a lawyer.

Summary and reviews of The Barrowfields by Phillip Lewis

THE BARROWFIELDS. by Phillip Lewis · RELEASE DATE: March 7, 2017. Amid family tragedy, a young man flees the peculiar home of his youth only to return years later. Thomas Wolfe may have warned that “you can’t go home again,” but the Asters of Old Buckram, North Carolina, apparently didn’t get the message. The narrator’s father, Henry, is a strange fit for this “achromatic town high in the belly of the Appalachian Mountains.”

THE BARROWFIELDS | Kirkus Reviews

Barrowfield is a neighbourhood of Glasgow, Scotland, close to Celtic Park, home of Celtic F.C., which lies immediately to the east. It is bounded by the A89 road (Gallowgate) to the north and the A74 (London Road) to the south.

Barrowfield — *Wikipedia*

Thomas Wolfe noted that mountain people were death obsessed, and Phillip Lewis's haunting novel The Barrowfields adds further evidence to that claim. This story features a son who is desperately trying not to follow his father's path of darkness, while simultaneously indulging some of darkness's more irresistible charms, especially in the forms of music, literature, and alcohol.

Amazon.com: Customer reviews: The Barrowfields: A Novel

The Barrowfields is part coming-of-age story, part homecoming and part exploration of unfulfilled dreams. The setting seems both nostalgically old-fashioned and richly immediate. Lewis writes with warmth, depth and honesty about the regrets of fathers and sons and the inexorable pull of home.

Book Review—*The Barrowfields by Phillip Lewis* — *BookPage*

Barrow Fields is a small trader outpost between Darkwood and Oakvale in Fable, Fable: The Lost Chapters, and Fable Anniversary . The camp is defended by a small number of guards, and has multiple fishing spots. There is a Demon Door who requests you to be "plump and porcine" to enter it.

Barrow Fields | The Fable Wiki | Fandom

This debut novel is built around a house, an old, gothic, iron-and-glass structure far up in the Appalachian Mountains. The house seems to have a dreary past that haunts its new residents, the family of Henry Aster. His father, an aspiring author, grew up in these same hardscrabble mountains but unlike everyone else always had a book in hand.

The Barrowfields (Book) | Contra Costa County Library ---

"The Barrowfields is a stunning debut novel rich in character and place, steeped in literature and music, and fraught with family drama. . . . With clear echoes of Poe and Wolfe, The Barrowfields also gives a nod to Richard Russo by reflecting an appreciation for the eccentricities of regional characters."

We believe that is just one of the reasons why we have won the Tripadvisor Certificate of Excellence for the last five years in a row.

A richly textured coming-of-age story about fathers and sons, home and family, recalling classics by Thomas Wolfe and William Styron, by a powerful new voice in fiction Just before Henry Aster’s birth, his father–outsized literary ambition and pregnant wife in tow–reluctantly returns to the small Appalachian town in which he was raised and installs his young family in an immense house of iron and glass perched high on the side of a mountain. There, Henry grows up under the writing desk of this fiercely brilliant man. But when tragedy tips his father toward a fearsome unraveling, what was once a young son’s reverence is poisoned and Henry flees, not to return until years later when he, too, must go home again. Mythic in its sweep and mesmeric in its prose, THE BARROWFIELDS is a breathtaking debut about the darker side of devotion, the limits of forgiveness, and the reparative power of shared pasts. – SIBA Okra Pick

Have happier clients. Get better results. Make more money. You can have a more profitable and productive law practice by being a better manager of your clients, cases, and practice. When we are disorganized, we waste time and resources. Stop Putting Out Fires will give you ideas to have a more efficient practice, more effective relationships with your clients, and a more systematic approach for managing your caseload. If you want to be more productive, capture more of your billable time, and learn from the hard-earned lessons of others, Stop Putting Out Fires is a resource to aid you in that journey. At its core, Stop Putting Out Fires is about three things: 1. You having happier clients by better understanding your clients’ needs and establishing better relationships. 2. You getting better results through more effective case management and better litigation strategies. 3. You making more money, not by working more hours, but by working more efficiently, having set goals, and having a healthier practice.

Have you ever been so desperate that you would do literally anything for money? This is the tragic situation Giselda finds herself in, with no money for an operation her younger brother desperately needs to save his life, and no one to turn to. Ground down by poverty she plucks up her courage to offer the only thing she has of value - her purity. Choking back her pride and knowing that she is about to forfeit his respect, she approaches her wealthy employer, the handsome Earl of Lyndhurst, who is recovering from his injuries sustained in the Battle of Waterloo. Appalled that this frail and innocent young girl should be faced with such a terrible decision, he vows to find a way to help her without offending her dignity. He knows she would never accept his charity, and she refuses to confide in him the reasons for her family's poverty. Intrigued by the air of mystery about a girl of obvious quality reduced to the role of maidservant, the Earl decides to discover why a beautiful young woman of strong principles has been reduced to such extreme measures. Discovering her to have gentle hands and wonderful nursing skills he employs her as his private nurse and turns his sharp mind to uncovering her secrets - and learns his own lessons in love in the process.

This fascinating selection of photographs traces some of the many ways in which Newquay has changed and developed over the last century.

In the first part of Sauron Defeated, Christopher Tolkien completes his account of the writing of The Lord of the Rings, beginning with Sam's rescue of Frodo from the Tower of Kirith Ungol, and giving a very different account of the Scouring of the Shire. This part ends with versions of the previously unpublished Epilogue, an alternate ending to the masterpiece in which Sam attempts to answer his children's questions years after the departure of Bilbo and Frodo from the Grey Havens. The second part introduces The Notion Club Papers, now published for the first time. Written by J.R.R. Tolkien in the interval between The Two Towers and The Return of the King (1945-1946), these mysterious Papers, discovered in the early years of the twenty-first century, report the discussions of a literary club in Oxford in the years 1986-1987. Those familiar with the Inklings will see a parallel with the group whose members included J.R.R. Tolkien and C.S. Lewis. After a discussion of the possibilities of travel through space and time through the medium of "true dream," the story turns to the legend of Atlantis, the strange communications received by members of the club out of remote past, and the violent irruption of the legend into northwestern Europe. Closely associated with the Papers is a new version of the Numenorean legend, The Drowning of Anadune, which constitutes the third part of the book. At this time the language of the Men of the West, Adunaic, was first devised - Tolkien's fifteenth invented language. The book concludes with an elaborate account of the structure of this language by Arundel Lowdham, a member of the Notion Club, who learned it in his dreams. Sauron Defeated is illustrated with the changing conceptions of the fortress of Kirith Ungol and Mount Doom, previously unpublished drawings of Orthanc and Dunharrow, and fragments of manuscript written in Numenorean script.

Action, horror, politics, and sensuality combine in this DEBUT EPIC FANTASY novel for fans of George R. R. Martin and Michael J. Sullivan, set in the world of the Eisner Award-nominated Artesia comic books. To find the Sword, unearth the Barrow. To unearth the Barrow, follow the Map. When a small crew of scoundrels, would-be heroes, deviants, and ruffians discover a map that they believe will lead them to a fabled sword buried in the barrow of a long-dead wizard, they think they've struck it rich. But their hopes are dashed when the map turns out to be cursed and then is destroyed in a magical ritual. The loss of the map leaves them dreaming of what might have been, until they rediscover the map in a most unusual and unexpected place. Stjepan Black-Heart, suspected murderer and renegade royal cartographer; Erim, a young woman masquerading as a man; Gilgwyr, brothel owner extraordinaire; Leigh, an exiled magus under an ignominious cloud; Godewyn Red-Hand, mercenary and troublemaker; Arduin Orwain, scion of a noble family brought low by scandal; and Arduin's sister Annwyn, the beautiful cause of that scandal: together they form a cross section of the Middle Kingdoms of the Known World, united by accident and dark design, on a quest that will either get them all in the history books...or get them all killed. From the Trade Paperback edition.

It's the week before Christmas when a lone robber bursts into a busy Glasgow post office carrying an AK-47. An elderly man suddenly hands his young grandson to a stranger and wordlessly helps the gunman fill bags with cash, then carries them to the door. He opens the door and bows his head; the robber fires the AK-47, tearing the grandfather in two. Detective Alex Morrow, just returned to work after the birth of her twins, arrives on the scene and finds that the alarm system had been disabled before the robbery, but none of the employees can be linked to the gunman. The grandfather—a life-long campaigner for social justice—is above reproach. As Morrow searches for the killer, she discovers a hidden, sinister political network. Soon it is chillingly clear: no corner of the city is safe, and her involvement will go deeper than she could ever have imagined.

The internationally acclaimed author of The Dream Life of Sukhanov now returns to gift us with Forty Rooms, which outshines even that prizewinning novel. Totally original in conception and magnificently executed, Forty Rooms is mysterious, withholding, and ultimately emotionally devastating. Olga Grushin is dealing with issues of women's identity, of women's choices, that no modern novel has explored so deeply. "Forty rooms" is a conceit: it proposes that a modern woman will inhabit forty rooms in her lifetime. They form her biography, from childhood to death. For our protagonist, the much-loved child of a late marriage, the first rooms she is aware of as she nears the age of five are those that make up her family's Moscow apartment. We follow this child as she reaches adolescence, leaves home to study in America, and slowly discovers sexual happiness and love. But her hunger for adventure and her longing to be a great poet conspire to kill the affair. She seems to have made her choice. But one day she runs into a college classmate. He is sure of his path through life, and he is protective of her. (He is also a great cook.) They drift into an affair and marriage. What follows are the decades of births and deaths, the celebrations, material accumulations, and home comforts—until one day, her children grown and gone, her husband absent, she finds herself alone except for the ghosts of her youth, who have come back to haunt and even taunt her. Compelling and complex, Forty Rooms is also profoundly affecting, its ending shattering but true. We know that Mrs. Caldwell (for that is the only name by which we know her) has died. Was it a life well lived? Quite likely. Was it a life complete? Does such a life ever really exist? Life is, after all, full of trade-offs and choices. Who is to say her path was not well taken? It is this ambiguity that is at the heart of this provocative novel.
