The methods and angles that follow have been among Ken Osterman's favorites over the years. They have been developed and tested on races at racetracks all over the country. There are systems that cover all three main breeds of horse racing: thoroughbreds, quarter horses, and standardbreds. The rules of the handicapping angle are clearly explained and easy to find horses that qualify for a bet. There are a couple of systems that use that tote board and require no past performances. These are systems that Ken Osterman has used successfully at race and sports books. The rules for each system are clearly explained, so it is understood why they work. Tips for improving these systems are also provided. Here is the list of the systems
