The maximum size an adult bed bug can reach is about 5 mm in length and 3 mm in width. The smallest are only about 2.5mm long – almost the size of a bed bug egg. However, during an infestation bed bugs of various sizes may be observed. Can You See Bed Bugs With the Naked Eye?

Describes different types of insects and invites readers to find a specific number of each insect within the pictures.

Size is relative, but everything is worth seeing in this concept book from the illustrator of *And Tango Makes Three*—now available as a Classic Board Book. Beginning with a beautiful close-up of a “big” ladybug, this adorable board book artfully depicts the concept of scale as it zooms out from the bug, to a flower, to a cow, all the way to an expansive spread of sky. Then author Henry Cole masterfully zooms back in from that sky, to a tree, to a house, to a window, all the way to the end where an adorable dog is taking a “little” nap. Young readers will love the lush illustrations of the animals, objects, and scenery of a farm, and they'll delight in seeing how something “big” can suddenly seem “little” with every turn of a page!

Little Buggy is going to visit his grandma in the Big Bug Log, but he's not quite sure how to find his way through the log to her house. With the reader's help, Buggy must solve puzzles, follow mazes, and look behind flaps to follow the path all the way to the surprise ending! Packed with humor and detail, this brilliantly interactive board book will keep little ones entertained for hours.

Little bugs of all shapes and sizes show off their differences in rhyming text.

Enthusiastic insect participants in the Big Bug Ball draw the reluctant sowbug into their celebration.

Excited about show-and-tell day, Prunella heads to school with her box of bugs that is sure to please, but when the bugs escape and the teacher loses her composure in the swarm, Prunella must find a way to get her special presentation back on track!

A collection of unusual facts, games, puzzles, activities, and artwork centering around the world of insects.

Grab your bucket and join the search for all the cool bugs outside! This fun rhyming story lists all the bugs you can imagine—creep bugs, climb bugs, sticky-slime bugs! Discover the vast world of insects in this photo-filled book.

Now in a new format, and better value than ever before, these classic searches are sure to keep children entertained for hours on end. Each beautifully illustrated double-page features a brain-teasing picture puzzle. As well as providing hours of puzzle-solving fun, each book is packed with fascinating facts presented in short, easy-to-read captions.
