while having fun. STEAM (Science, Technology, Engineering, Art, and Math) learning encourages kids to experiment and engineer, to make mistakes and learn from them, and to be problem-solvers and critical thinkers--now and for life. Highlights brings "Fun with a Purpose" into this exciting approach to learning. This book features more than fifteen age-appropriate projects (using common, household materials) for preschoolers to tinker with. Simple step-by-step instructions guide kids in exploring concepts in physical, life, and earth sciences, while sprinkling in lots of open-ended questions and prompts for further investigating. Our award-winning content blends important skills with puzzles, humor, and playful art
