Thus, the initial focus of The Book of Sitra Achra is on the ten qliphoth, followed by a consideration of Azerate's eleven heads: Satan, Molok, Beelzebub, Lucifuge Rofocale, Astaroth, Asmoday, Belfegor, Baaltzemoth, Adramalik, Lilith and Nahemah. Each head is given a full page explanation, and then a second page featuring a qliphothic formula and two sigils: the ring bound Throne Seal and the standalone Angle Key Seal.

Sefer ha Sitra Achra by A.D. Mercer, Paperback | Barnes ...

Kabbalah divides everything in this world into either Sitra D'Kedushah (the side of holiness) or Sitra Achra (the side of impurity)—literally meaning “the other side,” or the side of Kelipah. There is nothing that is in between—every thought, speech, action, or creation has its source either in Kedushah or Kelipah.

The metaphysical system of the Holy Kabbalah posits a vertical and positively-aligned Tree of Life, through which energy from the earthly plane flows upward in a series of experiences culminating in union with the Divine Source. However, in some forms of Jewish Mysticism, there exists an averse, or Dark Side of the Tree, whereby energy is used to direct personal will, and change reality for good or evil. The Sitra-Achra explicates these ideas, steeped in ancient tradition, yet providing the magical practitioner with tools to navigate both light and dark forms of the Tree of Life.

Lilith is one of the most well known Dark Goddesses. She's the Queen of Sitra Ahra and the Serpent who tempts men with knowledge, encouraging them to look for the Antinomian path of Self Deification. Goddess of Bloody Moon, Sacred Prostitute, and Hag of the Night. Lilith, the Goddess of a thousand masks and guises, is explored thoroughly in this book through different rituals, ceremonies, poetry, and art. This anthology has been written by different magicians of the Left-Hand Path - people with a true vocation and dedication to the path of the Red Goddess.

The magickal methods and esoteric knowledge of medieval Europe (476 to 1453 C.E.) form the ancestral backbone of modern ceremonial magick. To

Download Free The Book Of Sitra Achra A Grimoire Of The Dragons Of The

understand medieval magick, it's necessary to know the primary repositories of this knowledge - the grimoires of spells, incantations, and ritual instructions for working with angels and conjuring spirits. And to understand the grimoires, you must delve into the life and times of the magicians who wrote them. Scholar and magician Aaron Leitch sheds light upon the greatly misunderstood subject of the medieval mage in this comprehensive reference manual. In addition, he provides valuable comparisons among the magical practices described in the grimoires and various shamanic methods of working with the spirit world.

King p.185 Ch. 9 - The Devil's Stone p.193 - Endnotes p.199 - Complete Works of E.A. Koetting p.201

When we conjure up the idea of the devil and the demonic hordes in our mind, we are often thinking in the context of how Christianity has portrayed them. The devil and his supposed horns, the Exorcist's battle with the demon possessed, the inverted cross, the Osculum infame (The Infamous kiss) or the Black Mass in which a young woman is sacrificed to Satan. All these are mostly influenced by Christian ideas in some way or another. The Prominence of Christianity in the study of demonology cannot be denied. There is, however, a lesser-known branch of demonology. One that has not been Christianized, yet Christians too have been informed by it. It is far older than Christianity, one that traces its roots back to the dawn of humanity. A demonology that is little known, yet invaluable for those of us in the Occult. It is the demonological ideas found within the Hebrew tradition. The Hebrew demonic tradition It is not as popular ONLY because no one has been able to bring all the pieces together, nor have they the ability to translate the source material from Aramaic and Hebrew to English. Most reiterate what has already been written,

Download Free The Book Of Sitra Achra A Grimoire Of The Dragons Of The

but with no foundational knowledge. In this book, I look to remedy that. This is not a boast, I am simply stating the facts. The Hebrew tradition has a rich and powerful Demonological tradition that is often not spoken of, even amongst kabbalists in fear that the demons and their minions will taint them or bring them bad luck. It is for this reason certain Jewish groups inundate their homes with magical talismans warding off the evil eye, the demoness Lilith and even the great demon Ashmodei (Asmodeus). In this book, I will take you through an academic and magickal journey through the Sitra Achra; the other side of the light as it is understood in the Hebrew tradition. You will not only learn, but you will experience.**Please note, this is not a book on the history of Hebrew or Jewish magick, although it will contain magick rites in it. This book is an elucidation on how the Hebrew tradition views demons and ghosts.** In this book you will learn: How the demonic idea developed, starting with the Old Testament and prior to.We will examine several demons and ghostly figures and their natures as told and experienced by the Great Rabbinic sages of the Talmud and the Kabbalah.You will learn the varying classes of demons and malignant spirits.We all know Lilith, but there are a few other female demonesses that we will encounter on this journey. Some you may have never heard of before.I will explain how the concept of the Sitra Achra unfolded at the moment of creation. You will learn how

Download Free The Book Of Sitra Achra A Grimoire Of The Dragons Of The

the Klippot came to be and their true nature. They are the husks of the Sitra Achra, the shards of the Sefirot. I will guide you through the various Hebrew and Aramaic texts that have been a stumbling block to most when approaching this topic. Finally, I will present five meditations and rituals you can use to romance the forces of the Sitra Achra. Let us begin.

Asher Lev is a gifted loner, the artist who painted the sensational Brooklyn Crucifixion. Into it he poured all the anguish and torment a Jew can feel when torn between the faith of his fathers and the calling of his art. Here Asher Lev plunges back into his childhood and recounts the story of love and conflict which dragged him to this crossroads.

Here for the first time, the head of a genuine Magical Organisation reveals the esoteric doctrines of the 'black' magic of the Left-Hand Path, as well as the practical applications of psychosexual formulae of which very little is generally known.

I speak to you of darkness, of night. I beckon you to be consumed,

Download Free The Book Of Sitra Achra A Grimoire Of The Dragons Of The

astounded and swayed by its rhetoric. Hear its words, see its formless face, and know that the gate through which you now must pass is open now to you alone. Lucifer, the mentor of the proud few, grants his students fragments of Truth throughout their lives, fragments which ultimately culminate into one grand picture. Kosmology is but a recording of the Truth granted to the author thus far in his life. Fusing Gnostic Theogony from antiquity and modern Theoretical Physics, as well as a number of sources of Classical Philosophical thought, Kosmology emerges with a new, coherent take on Luciferian Philosophy.
