Examines the experiences of Barack Obama's life and explores the ambition behind his rise to the presidency, from his relationship with his parents to how social and racial tensions influenced his philosophy.

The rise of Barack Obama is one of the great stories of this century: a defining moment in American history, and one with truly global resonance. Until now, no journalist or historian has written a book that fully investigates the circumstances and experiences of Obama's life or explores the ambition and conviction behind his journey to election. The Bridge - from a writer whose gift for illuminating the historical significance of unfolding events is unsurpassed - offers a portrait, at once masterly and fresh, nuanced and unexpected, of the man who was determined to become the first African-American president. Through extensive on-the-record interviews with friends and teachers, mentors and disparagers, family members and Obama himself, David Remnick allow us to see an early life coloured by absence and uncertainty: one that asked demanding questions of a rootless and literate man in search of himself, sending him firstly towards social work and then into law. Deftly setting Obama's burgeoning political career against the volatile scene in Chicago, Remnick shows us how it was that city's complex racial legacy that shaped the young politician and made his first forays into politics a source of controversy and bare-knuckle tactics: his clashes with older black politicians in the Illinois State Senate, his disastrous decision to challenge the former Black Panther Bobby Rush for Congress in 2000, the sex scandals that would decimate his more experienced opponents in the 2004 Senate race, and the story - from both sides - of his confrontation with his former pastor, Jeremiah Wright. In exploring the way in which Barack Obama imagined and fashioned an identity for himself against the backdrop of race in America, Remnick illuminates an American life without precedent, and reminds us that, electrifying though Obama's victory may have been, there was nothing fated about it. Interrogating both the personal and political elements of the story - and, most crucially, the points at which they intersect - he gives shape to a decisive period of American history, and in turn, to the way it crucially influenced, animated and motivated a gifted and complex man.

The best-selling author of Nixonland presents a portrait of the United States during the turbulent political and economic upheavals of the 1970s, covering events ranging from the Arab oil embargo and the era of Patty Hearst to the collapse of the South Vietnamese government and the rise of Ronald Reagan.

Winner of the NAACP Image Award for Outstanding Literary Work/Biography. In Across That Bridge, Congressman John Lewis draws from his experience as a prominent leader of the Civil Rights Movement to offer timeless wisdom, poignant recollections, and powerful principles for anyone interested in challenging injustices and inspiring real change toward a freer, more peaceful society. The Civil Rights Movement gave rise to the protest culture we know today, and the experiences of leaders like Congressman Lewis, a close confidant to Martin Luther King, Jr., have never been more relevant. Despite more than forty arrests, physical attacks, and serious injuries, John Lewis has remained a devoted advocate of the discipline and philosophy of nonviolence. Now, in an era in which the protest culture he helped forge has resurfaced as a force for change, Lewis' insights have never been more relevant. In this heartfelt book, Lewis explores the contributions that each generation must make to achieve change.

One of art's purest challenges is to translate a human being into words. The New Yorker has met this challenge more successfully and more originally than any other modern American journal. It has indelibly shaped the genre known as the Profile. Starting with light-fantastic evocations of glamorous and idiosyncratic figures of the twenties and thirties, such as Henry Luce and Isadora Duncan, and continuing to the present, with complex pictures of such contemporaries as Mikhail Baryshnikov and Richard Pryor, this collection of New Yorker Profiles presents readers with a portrait gallery of some of the most prominent figures of the twentieth century. These Profiles are literary-journalistic investigations into character and accomplishment, motive and madness, beauty and ugliness, and are unrivalled in their range, their variety of style, and their embrace of humanity. Including these twenty-eight profiles: "Mr. Hunter's Grave" by Joseph Mitchell "Secrets of the Magus" by Mark Singer "Isadora" by Janet Flanner "The Soloist" by Joan Acocella "Time . . . Fortune . . . Life . . . Luce" by Walcott Gibbs "Nobody Better, Better Than Nobody" by Ian Frazier "The Mountains of Pi" by Richard Preston "Covering the Cops" by Calvin Trillin "Travels in Georgia" by John McPhee "The Man Who Walks on Air" by Calvin Tomkins "A House on Gramercy Park" by Geoffrey Hellman "How Do You Like It Now, Gentlemen?" by Lillian Ross "The Education of a Prince" by Alva Johnston "White Like Me" by Henry Louis Gates, Jr. "Wunderkind" by A. J. Liebling "Fifteen Years of The Salto Mortale" by Kenneth Tynan "The Duke in His Domain" by Truman Capote "A Pryor Love" by Hilton Als "Gone for Good" by Roger Angell "Lady with a Pencil" by Nancy Franklin "Dealing with Roseanne" by John Lahr "The Coolhunt" by Malcolm Gladwell "Man Goes to See a Doctor" by Adam Gopnik "Show Dog" by Susan Orlean "Forty-One False Starts" by Janet Malcolm "The Redemption" by Nicholas Lemann "Gore Without a Script" by Nicholas Lemann "Delta Nights" by Bill Buford

Winner of the Pulitzer Prize "The essence of Mr. Wilder's book is really the feeling in it; it is a 'notation of the heart' with sympathy. Gaily or sadly, but always with understanding, a belief in the miracle of love runs through it all." --Times Literary Supplement (London) "On Friday noon, July the twentieth, 1714, the finest bridge in all Peru broke and precipitated five travelers into the gulf below." With this celebrated sentence Thornton Wilder begins The Bridge of San Luis Rey, winner of the Pulitzer Prize and a novel beloved throughout the world. By fate or chance, a monk has witnessed the collapse. Deeply moved by the tragedy, Brother Juniper embarks on a quest to prove that it was divine intervention, not chance, that led to the deaths of the five people crossing the bridge that day. His search leads readers on a timeless investigation into the nature of love and the meaning of the human condition.. This edition includes a foreword by acclaimed author Russell Banks and an afterword by Wilder's nephew, Tappan, along with previously unpublished notes and other illuminating documentary material about the novel and author.
