The door was not locked, and opened easily. He switched on the light, and Richard followed him into the room. Nella lay on the bed. She had on the nightdress she had been lent, but the bedclothes had been pulled halfway down. Her head was twisted back grotesquely. Her mouth gaped open and her tongue had been cut out. It had been carefully placed in the valley between her naked breasts. The Duke de Richleau and his friends had faced many dangers in Russia, Spain and Nazi Germany. Now, a new and unexpected menace confronts them: the fourth member of their group, Rex van Ryn, is missing – and he has made off with more than a million dollars from the Buenos Aires branch of his family bank. Behind the conventional courtesy of Argentinian society lies a conspiracy of terror and silence – and a trail that leads straight to the Devil himself. . . .

Beneath the azure sky of the French Riviera, Christina Mordant looks and behaves like any other attractive girl. But each night as darkness falls, the demon within her betrays its presence. A thousand miles away, deep in the Essex marshes, a priest of Satan is about to achieve his life's ambition: Canon Copely-Syle of Bentford Priory prepares for the virgin sacrifice which will give breath to the foul abomination he has created. . .

When the bombs fall on London, the elderly Duke de Richleau is forced to consider a problem of the utmost urgency. What methods are the Germans using to discover – with sinister effect – the secret routes of the Atlantic convoys? His answer is bizarre and fantastic. Could it really be that the enemy are in touch with supernatural powers? Can these powers only be overcome by those who have the knowledge and courage to join battle with them on the Astral Plane? The Duke and his supporters face the terrifying challenge from the Powers of Darkness.

Spain is writhing in the torment of Civil War. In a Madrid bank lays ten tons of gold: and both sides want it. The lovely Countess Lucretia Coralles, known to the rebels as 'The Golden Spaniard', leads the double life of a secret agent. And she has other secrets too. . . The Duke de Richleau's mission is to retrieve the gold, hidden somewhere in the war torn country, before the communists. In calling on his usual companions for support he finds that their sympathies lie with his enemy, and very soon the formally indomitable trio are trying to outwit one another in a potentially lethal treasure hunt. One of the giants of popular fiction, with total sales of around fifty million books, Dennis Wheatley held twentieth-century Britain spellbound. His Black Magic novels like The Devil Rides Out created an oddly seductive and luxurious vision of Satanism, but in reality he was as interested in politics as occultism. Wheatley was closely involved with the secret intelligence community, and this powerfully researched study shows just how directly this drove his work, from his unlikely warnings about the menace of Satanic Trade Unionism to his role in a British scheme to engineer a revival of Islam. Drawing on a wealth of unpublished material, Phil Baker examines Wheatley's key friendship with a fraudster named Eric Gordon Tombe, and uncovers the full story of his sensational 1922 murder. Baker also explores Wheatley's relationship with occult figures such as Rollo Ahmed, Aleister Crowley, and the Reverend Montague Summers, the shady priest and demonologist who inspired the memorable evil character of Canon Copely-Syle in To The Devil - A Daughter.

The Duke de Richleau and Rex van Ryn know instinctively that something bizarre has happened to their friend Simon. They have their suspicions but nothing prepares them for black magic. A young man and woman are snared on the verge of madness by those practising the cult of Satanism.
