Reviewing Children's Literature: The Digger and the Flower by Joseph Kuefler

The Digger And The Flower

A digger notices a flower on a small plot of land in the middle of a city. He cares for it everyday. Then one day, the trucks realize that that small plot of land is the only one in the city that hasn't been developed. Before the digger can stop it, the dozer plows down the flower. The digger is devastated. Then he sees the seeds left from the flower!

From the author/artist of Beyond the Pond and Rulers of the Playground comes Joseph's most evocative picture book yet about a lonely digger in an industrial world who finds a flower—an encounter that ends up changing his whole world. Perfect for fans of The Curious Garden. Each day, the big trucks

The Digger and the Flower  HarperCollins Publishers UK

The Digger and the Flower by Joseph Kuefler promotes compassion, responsible decision-making and social awareness. Everyday Crane, Dozer, and Digger work together to create bridges, roads and buildings. The vehicles push, scoop and lift through the environment. One day Digger spots a single blue flower in amongst the construction.

[PDF] The Digger and the Flower | Buy Cheap eBooks

The Digger and the Flower is a simple but surprisingly touching story filled with compassion. Who would have thought a story surrounding construction machinery could be so endearing. The ending can be interpreted in so many ways, all of which allow parents/caregivers to teach valuable life lessons.

The Digger and The Flower : Topic Board for playing with construction toys / blocks - made initially to accompany an activity I used after reading the fantastic book "The Digger and the Flower" by Joseph Kuefler.

From the acclaimed author/artist of *Beyond the Pond* and *Rulers of the Playground* comes a breathtaking new book with a powerful message about the environment, perfect for fans of Peter Brown's *The Curious Garden* and Kadir Nelson's *If You Plant a Seed*. Each day, the big trucks go to work. They scoop and hoist and push. But when Digger discovers something growing in the rubble, he sets in motion a series of events that will change him, and the city, forever. "This story contains bold graphic illustrations and a wonderful message about the environment," proclaims Brightly.com in their article "18 Must-Read Picture Books of 2018."

Simple text and supportive images introduce young readers to diggers. Intended for students in kindergarten through third grade.

A first garden story board book that reveals how plants grow with lift-the-flaps and a pullout height chart. Teach your child how a tiny seed grows into a flower in this fascinating lift-the-flap garden story. A pullout height chart ends the book--a great way for children to remember how a sunflower grows, and to measure how fast your child grows, too! Through illustrations, photography, and flaps, sixteen delightful board book pages reveal the wonder of how plants grow as you follow the story of a mystery seed. How was it planted? What does it need? What will it become? As days go by, it's hard to imagine the tiny shoot will ever grow into a big, strong plant. Could it magically become the tallest of all the garden flowers? Flaps unfold to show plants growing, creatures hiding, and what's happening underground. The book includes very simple gardening projects and facts about garden creatures (which ones are good for plants, and which ones are bad), and children will find out what a pollinator is, and how to attract pollinators to the garden. The perfect gift for aspiring gardeners, complete with a height chart.

A life laminated by tragic experience does not seem to stop Taniqua from embarking on the arduous task of undoing past mistakes. Her life has been smeared with unprecedented circumstances in a purlieu that seems to shut the downtrodden in isolation even in a big city like Toronto. If you are like Taniqua, it would be easier to throw in the towel than to be combative in a situation that seems determined to keep her impoverished and friends that seemingly do not support her and who don't have the same optics. Yet the death of a child coupled with regrets couldn't prevent her from pursuing her dreams.

When Brother John, a man known for wandering around Africa for years, tells Allan Quatermain about a rare and gorgeous orchid hidden in the wild flora of Africa, Quatermain is determined to find one. When he does, he travels to England and meets Stephen Somers, who collects special flowers. Somers was eager to buy the orchid, but after a mix up at an auction, he finds himself in trouble with his family. Nevertheless, Somers still desperately wants one of the African orchids, and offers to accompany Quatermain and finance the journey to recover another flower. Never one to turn down an expedition, Quatermain agrees, and together, they begin their expedition in Africa, determined to find the orchid that Brother John had described as the largest flower in the region. However, as their adventure unfolds, the men face unanticipated struggles. While they continue their search, the men must work together and think quick to survive the unexpected, trekking through land unknown, fighting battles, leading rescue missions, and navigating daunting encounters with cannibals, slave traders, and a giant gorilla. Filled with thrilling action, narrow escapes, and wonderful descriptions, *Allan and the Holy Flower* by H. Rider Haggard is a page-turning 19th century adventure novel. Set in colonial Africa, Haggard includes a setting that is not often depicted in English literature. First published in 1915, *Allan and the Holy Flower* remains to be a fresh and thrilling action-adventure, delighting audiences with its quick pace and nail-biting conflicts. Written in imaginative, yet accessible prose, *Allan and the Holy Flower* is a classic adventure novel perfect for all ages. This edition of *Allan and the Holy Flower* by H. Rider Haggard features a striking new cover design and is printed in a font that is both modern and readable. With these accommodations, *Allan and the Holy Flower* caters to a contemporary audience while preserving the original innovation and adventure of H. Rider Haggard's work.

It's not fair! All Little Owl wants is to go to bed at a reasonable hour, like his friends do. But no . . . Mama and Papa say little owls have to stay up late and play. So Little Owl spends all night jumping on his bed, playing on the jungle gym, and doing tricks on his skateboard but he's hooting mad about it! Children who have a hard time going to bed will love this fun twist on the universal dilemma.

A stunning picture book about sharing, friendship, and kindness in a playground setting from Joseph Kuefler, the author/illustrator of *Beyond the Pond*. Perfect for fans of Jon Klassen and Oliver Jeffers. One morning, Jonah decided to become ruler of the playground. Everyone agreed to obey his rules to play in King Jonah's kingdom . . . Everyone except for Lennox . . . because she wanted to rule the playground, too. A gloriously rendered, hilariously deadpan tale of playground politics.

Digger! Digger! Digger! What's that noise? Little Dalmatian is about to find out as he follows the booming noises of big construction vehicles in this energetic picture book.

A stunning picture book about the power of imagination, perfect for fans of *Extra Yarn* and *Journey*, from debut author-illustrator Joseph Kuefler. Just behind an ordinary house filled with too little fun, Ernest D. decides that today will be the day he explores the depths of his pond. Beyond the pond, he discovers a not-so-ordinary world that will change him forever.

You have found the key to the secret garden, now open the gates and marvel at the uniqueness of each plant and flower petal!
