The Fountain of Humor for Seniors available as an eBook and in Audio files is a collection of jokes and stories targeted to seniors 50]. These jokes can be read and listened to by the senior him- or herself or read and/or played to them by the people who live, work or love them. The material is helpful to mind and body. It is funny, tasteful and likely to make most seniors laugh out loud. It's all about feeling good, feeling much better, reducing sad feelings, healing mind and body. All anyone needs to do is to laugh loud and long to feel good and better. Yes, it works. It's not a cure-all for aging and not a Fountain of Youth ... simply a Fountain of Humora?! for seniors. It is a supply of funny jokes and stories that really helps, for a while, to reduce the depression about aging, the loss of loved ones, chronic illness, loss of sight, sound and mobility. Our jokes and stories are provided through our unique process of selection, customization and cleansing by our "Joke-Jury." This combined publication of text and audio has been designed so that: A blind or partially blind person can hear the jokes and laugh. A deaf or partially deaf person can see the jokes and laugh. A healthy person can see and hear the jokes and laugh. Even the dying find something to laugh about for a moment in time and will ask for more jokes. My father-in-law, terminally ill with cancer, called often in his last year asking my wife and me to read a joke or two to him. Hearing him laugh from miles away also opened the door to comforting conversation and made it easier for all of us. This is mighty important for all of us. An 85-year-old, losing her mental capacities, repeatedly asked for our jokes to be read to her. It comforted her right up to her passing. A professional woman purchased the set for "signing" to groups of deaf people. She works with them as the audio version plays the jokes for her. Instructions are provided on how to read them to diverse senior audiences in institutional settings or families or to their friends. We believe that the elderly, infirmed, families or just two people enjoy the togetherness and communal feeling that laughter brings. People love having jokes read to them. That "legitimizes" laughing out loud. Everyone wants to laugh, whether they are kids age 1 or 100.

That "legitimizes! laughing out loud. Everyone wants to laugh, whether they are kids age 1 or 100.

Humor is the tendency of particular cognitive experiences to provoke laughter and provide amusement. Throughout history, it has played a crucial role in defining gender roles and identities. This collection offers an in-depth thematic examination of this relationship between humor and gender, spanning a variety of historical and cultural backdrops.

When disaster strikes, when election returns are in, when scandals break, when the ubiquitous racial and sexual tensions of our land blow their PC gasket, when the famous die, it seems the monied men of Wall Street are always the first to craft our national anxiety into a joke. The cynical, educated, three-steaks-a-week, house-in-the-Hamptons representatives of the Ayn Rand in all of us generate the jokes that get faxed nationwide. That's the myth, and this is the confirmation of it. Compiled by four anonymous Wall Streeters, here are the jokes that are sure to come in handy for any commuter, socially challenged business person, or new guy/gal at the water fountain. Slim enough to fit in your shirt pocket, The Wall Street Joke Book can be toted with you for those moments that call for a real-man's guffaw. Here's a taste of the humor that makes this country what it is, from the men who make this country what it is.

Originally published in 1993. The purpose of this volume is to lay out documents which give an estimate of Mark Twain as a humorist in both historical scope and in the analysis of modern scholars. The emphasis in this collection is on how Twain developed from a contemporary humorist among many others of his generation into a major comic writer and American spokesman and, in several more recent essays by younger Twain scholars, the outcomes of that development late in his career. The essays determine how the humor takes on meaning and importance and how the humor works in a number of ways in the literary canon and even in the persona of Mark Twain.

Award Winner in the Humor category of The USA "Best Books 2011" Awards, sponsored by USA Book News. Funny, facetious, droll, amusing, jocular, whimsical, silly, witty, hilarious, hysterical, and thought-provoking, The Little Book of Humorous Quotes is the perfect mental supplement in today's stressed-out world. Is your mind on information overload? Give yourself a break-and a laugh. This humorous collection is organized to provide laughter every day, year in and year out, to yourself and anyone you speak to. Quote it. Note it. Promote it. Or devote it. The book shares 365 exceptionally entertaining quotes from more than 100 authors- everyone from classic humorists such as Oscar Wilde, Mark Twain and George Bernard Shaw to modern wits like Woody Allen, Erma Bombeck and Phyllis Diller. These quotes put the "fun" in funny. If you believe that laughter is the best medicine, just take one book and call me in the morning.

A concise, reader-friendly introduction to an important-but often underappreciated topic in modern psychology-Humor 101 emphasizes the role of humor in psychology and discusses why it is an important topic for psychologists to study and understand. Psychology professor Dr. Mitch Earleywine draws from his personal experiences in standup comedy to focus on how humor can regulate emotion, reduce anxiety and defuse tense situations, expose pretensions, and much more: Humor 101, part of the Psych 101 Series, puts the claim "humor is good for your health" to the test by exploring humor's mental and physical effects. Key topics: Social and situational aspects of humor, such as attracting mates, developing friendships, increasing group cohesion, and establishing status The darker aspects of humor and how it can be used to hurt or harm people through teasing, taunting, bullying, and prejudice An explanation of "how humor works" plus tips for readers on how to become funnier New directions in humor research, such as studying humor as a form of intelligence or creativity, and promising computer science/artificial intelligence work
